Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

- a. That the complainant has been given power supply on 30-06-2003 under Irrigation Pumping and agriculture category and bills on actual meter readings have been served up to Aug'2025. From Sep'2025 to Dec'2025 average/provisional bills have been served showing the meter as defective.

- c. Hence, the Forum construed that, the provisional/average bills should be revised.

Directions of the forum

In view of the above findings and discussions, the Forum is of the view that,

1. The average bills served to the complainant from Sep'2025 to Dec'2025 are to be revised as per the average of six consecutive billing of new meter as per Section 155 and 157 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
2. Any adjustments done during the revision period are also to be taken in to consideration.
