ORDER

Brief Facts of the Case

During the spot hearing at Barpali Sub-division under Bargarh West Electrical Division on 13-01-2026, the complainant appeared before the Forum whereas SDO- Barpali appeared as respondent before the Forum.

Brief facts pertaining to the case are that the Complainant is a LT- Irrigation Pumping and agriculture consumer having consumer No. 5150-0116-4913 with connected load of 2.50 KW. That the Complainant has raised objection regarding the provisional/average bills served to him from Jan'2018 to Jan'2026 during the period in which he has not used power supply due to non-functioning of borewell. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

Gist of Arguments made by the Parties

Both parties were present in the hearing. The contentions made by the parties are as follows:

1. Submission of the Complainant:

1. The complainant submits that, provisional/average bills have been served to him from Jan'2018 to Jan'2026 during the period in which he has not used power supply resulted to accumulation of arrear.
2. He further submits that; he had made verbal complain to the respondent about the erroneous bill.
3. He also requested the Forum to revise the bills.

2. Reply Submission of the Respondent:

- i. The respondent submitted the PVR dated 21-01-2026 with a remark "the consumer is not using power supply since long. Meter and service cable is also not available at site. Collect the data from some villagers that the consumer is not using the power supply since the date of installation. The reason for non-usage is that the motor is defunct."
- ii. However, the respondent requested the Forum to take appropriate decision as necessary.

Findings and observations of the Forum

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the

relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

1. It is noted from the billing database that the complainant has been given power supply on 16-12-2017 under LT- Irrigation Pumping and agriculture category without a meter and bills on provisional/average basis has been done from Jan'2018 to Jan'2026.
2. As per submission of the complainant and also certified by the respondent that the consumer is not using power supply since long. Meter and service cable is also not available at site. Collect the data from some villagers that the consumer is not using the power supply since the date of installation. The reason for non-usage is that the motor is defunct.
3. Therefore, it is decided by the Forum that, the bills generated from Jan'2018 to Jan'2026 against the complainant should be withdrawn.

Directions of the forum

In view of the above findings and discussions, the Forum is of the view that,

- The bills generated from Jan'2018 to Jan'2026 are to be withdrawn as per Section 157 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.
- Further generation of bills is to be stopped immediately.
- Any adjustments done during the revision period are also to be taken in to consideration.
- DPS charged on the wrong bills are also to be withdrawn.

The Opposite party is directed to submit the compliance report to this Forum within one month from the date of issue of this order.

Accordingly, the case is disposed of.
