relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

1. That the complainant has been billed on Domestic category from the date of power supply i.e. 20-05-2008 but the change the category to General Purpose < 110KVA from Feb'2019.
2. But now the complainant is using the power supply for domestic purpose from 11-07-2024 and has given application regarding closing of the commercial unit and change of category to domestic.
3. As per Regulation 43 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019, *"If a consumer wishes to change his consumer category, he shall submit an application form to the licensee/supplier in the format given in Form No.1 or 2 to this Code. The licensee/supplier shall process the application form in accordance with the Regulation 21 of this Code. For site inspection and issuance & payment of demand note for the estimated cost of works, both the licensee/supplier and applicant shall follow the procedure and timelines as per provisions laid down in this Code. The licensee/supplier shall also note down the meter reading at the time of inspection. If on inspection, the consumer's request for reclassification is found valid, change of category shall be effective from the date of inspection and a written acknowledgment shall be sent to the consumer"*. As per certification made by ESO-II, Barpali, submitted in Physical Verification Report (PVR) dated 21-01-2026, the complainant consumer is using the power supply for Domestic purpose.
4. Again, As per Regulation 140 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019, *" If it is found that a consumer has been classified in a particular category erroneously or the purpose of supply as mentioned in the agreement has changed or the consumption of power has exceeded the limit of that category or any order of reduction or enhancement of contract demand has been obtained, the engineer may reclassify him under appropriate category after issuing notice to him to execute a fresh agreement on the basis of the altered classification or modified contract demand. For this purpose, the consumer shall be duly given a 15 days' notice period to file objections, if any on the notice. The licensee/supplier after due consideration of the consumer's reply, if any, may alter the classification within 30 days thereafter through passing of necessary order and issuing letter, notice to that effect. Provided that if the consumer does not take steps within the time indicated in the*

notice to execute the fresh agreement, the engineer may, after issuing a clear fifteen days show cause notice and after considering his explanation, if any, may disconnect the supply of power observing due formalities as per law. Provided further that in case of any dispute, the matter shall be referred to the Grievance Redressal Forum constituted under the Electricity Act, 2003.
