## **ORDER**

### **Brief Facts of the Case**

During the spot hearing camp at Jharbandh Sub-division under Bargarh west Electrical Division on 17-10-2025, the complainant appeared before the Forum whereas SDO- Jharbandh appeared as respondent before the Forum.

Brief facts pertaining to the case are that the Complainant is a LT- Domestic consumer having consumer No. 5154-1202-1147 with connected load of 1.00 KW. That the Complainant has raised objection regarding the high consumption billing. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

### **Gist of Arguments made by the Parties**

Both parties were present in the hearing. The contentions made by the parties are as follows:

#### **1. Submission of the Complainant:**

1. The complainant submits that, high consumption bills have been served to him resulted to accumulation of arrear.
2. He further submits that; he had deposited the meter testing fees.
3. He also requested the Forum to revise the bills.

#### **2. Reply Submission of the Respondent:**

- i. The respondent also agreed upon high consumption billing and agreed to test the meter. However, the respondent requested the Forum to take appropriate decision as necessary.

### **Findings and observations of the Forum**

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

- a. That the complainant has been given power supply with installation of a new meter and bills on actual meter readings have been served up to Oct'2025.

- b. As submitted by the complainant, he has deposited the meter testing fees on 06-11-2025 challenging the accuracy of the meter bearing Sl. No. TPWODL1119399.
- c. After that, the MMG team visited the site on 05-12-2025 and tested the meter with the presence of the complainant and submitted the report with a remark "the results found within permissible limit i.e. -0.24%".

### **Directions of the forum**

After observing the facts and records, the Forum Construed that, as the meter test results found within permissible limit i.e. -0.24%, the Forum is constraint to pass any order in respect of the grievance petition of the complainant.

**Hence the instant case is hereby dropped.**
