## **ORDER**

### **Brief Facts of the Case**

The present case has been registered in this forum vide Case No. 192 of 2025. Brief facts pertaining to the case are that the Complainant is a LT- ALLIED AGRICULTURE ACTIVITIES consumer having consumer No. 5150-0111-1473 with contract demand of 17.00 KW under the area of Bargarh West Electrical Division.

That the Complainant has raised objection regarding the application for category change in Jun'2024 but approval given by the respondent in Dec'2024.

### **Gist of Arguments made by the Parties**

Both the parties were present in the hearing on dated 19-11-2025. The contentions made by the parties are as follows:

#### **1. Submission of the Complainant:**

1. That he has wrongly applied for new connection in LT-General Purpose category and made an agreement on dated 03-04-2024 by observing all official procedures.
2. That, later on the complainant came to know that the category LT-General Purpose has wrongly been applied instead of LT- Allied Agriculture Activities. Thereafter again the complainant applied for change of category from LT-General Purpose to LT- Allied Agriculture Activities in Jun'2024 but the category has been changed by the respondent from Dec'2024 instead of Jun'2024.
3. Therefore, he requested the forum to revise the bill.

#### **2. Reply Submission of the Respondent:**

1. That, as per the available record the consumer has been availing power supply since dt.09/04/2024 with CD of 17.00 KW.
2. That, primarily the power supply agreement was executed under LT-GP category by which bill was generated under LT-GP category.
3. That, subsequently in the month of June 2024 consumer applied for category change from LT- GP to Allied Agro Activities.

Accordingly, concerned SDO submitted a PVR with site photo and acknowledged to change the category from LT-GP to Allied Agro Activities.

4. That, the above request was rejected by the MMG team by referring as per OERC guidelines category cannot be changed from other tariff category to Agriculture category.
5. That, again, consumer applied for category change in the month of September 2024 by submitting permission copy, estimate copy, inspection report of electrical inspector, agreement copy, GO-Ahead letter (department of agriculture & farmers empowerment).
6. This request was executed by observing all departmental formalities and bill has been generated under LT-Allied Agro Activities from December 2024.

### **Findings and observations of the Forum**

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

1. That, the Complainant is a LT- ALLIED AGRICULTURE ACTIVITIES consumer having consumer No. 5150-0111-1473 with contract demand of 17.00 KW under the area of Bargarh West Electrical Division.
2. That, due to ignorance of the complainant, the agreement has been done in LT- General Purpose category and bills have been raised in LT-General Purpose category from Apr'2024 to Nov'2024.
3. Later on the complainant applied for category change in Jun'2024 but it is noted that all required documents as desired by the respondent has been submitted by the complainant on 04-09-2024.
