## **ORDER**

### **Brief Facts of the Case**

During the spot hearing camp at Sohela Electrical Sub-division under Bargarh West Electrical Division on 05-12-2025, the complainant appeared before the Forum whereas SDO- Sohela appeared as respondent before the Forum.

Brief facts pertaining to the case are that the Complainant is a LT- Domestic consumer having consumer No. 5153-1409-0148 with connected load of 1.00 KW. That the Complainant has raised objection regarding the bills served to him in LT-Domestic Category instead of Lift Irrigation category. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

### **Gist of Arguments made by the Parties**

Both parties were present in the hearing. The contentions made by the parties are as follows:

#### **1. Submission of the Complainant:**

1. The complainant submits that, he is being billed in Domestic category but the supply is being used for lift irrigation purpose from the beginning.
2. He further submits that; he had made verbal complain to the respondent about the erroneous bill.
3. He also requested the Forum to revise the bills and change of category to domestic.

#### **2. Reply Submission of the Respondent:**

- i. The respondent submitted the Physical Verification Report (PVR) dated 30-11-2025 received on 05-12-2025 mentioning that the "consumer has a separate domestic connection bearing consumer no. 5153-1409-0051 but mistakenly this connection bearing consumer no. 5153-1409-0148 has been generated for LT-Domestic category, while consumer is using power supply for LT-Agriculture".
- ii. The respondent also agreed upon change of category from Domestic to Lift Irrigation category and agreed for revision of bills. However, the respondent requested the Forum to take appropriate decision as necessary.

**PRESIDENT**

Grievance Redressal Forum  
TPWODL, Bargarh-768028

## **Findings and observations of the Forum**

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

1. That the complainant has been billed on Domestic category from the date of power supply 26-05-2017.
2. But as per submission of the complainant, he is using the supply for Agriculture purpose from date of power supply and now it is confirmed by the respondent that consumer has a separate domestic connection bearing consumer no. 5153-1409-0051 but mistakenly this connection bearing consumer no. 5153-1409-0148 has been generated for LT-Domestic category, while consumer is using power supply for LT-Agriculture.
3. As per Regulation 140 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019, "*If it is found that a consumer has been classified in a particular category erroneously or the purpose of supply as mentioned in the agreement has changed or the consumption of power has exceeded the limit of that category or any order of reduction or enhancement of contract demand has been obtained, the engineer may reclassify him under appropriate category after issuing notice to him to execute a fresh agreement on the basis of the altered classification or modified contract demand. For this purpose, the consumer shall be duly given a 15 days' notice period to file objections, if any on the notice. The licensee/supplier after due consideration of the consumer's reply, if any, may alter the classification within 30 days thereafter through passing of necessary order and issuing letter, notice to that effect. Provided that if the consumer does not take steps within the time indicated in the notice to execute the fresh agreement, the engineer may, after issuing a clear fifteen days show cause notice and after considering his explanation, if any, may disconnect the supply of power observing due formalities as per law. Provided further that in case of any dispute, the matter shall be referred to the Grievance Redressal Forum constituted under the Electricity Act, 2003.*
4. Therefore, it is decided by the Forum that, the tariff should be changed to LT-IRRIGATION PUMPING AND AGRICULTURE category.

## **Directions of the forum**

In view of the above findings and discussions, the Forum is of the view that,

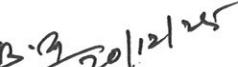

- The tariff of the complainant is to be changed from Domestic to LT- IRRIGATION PUMPING AND AGRICULTURE category by following Regulation 140 of Odisha Electricity Regulatory Commission Distribution (Conditions of Supply) Code, 2019.

**The Opposite party is directed to submit the compliance report to this Forum within one month from the date of issue of this order.**

Accordingly, the case is disposed of.
