## ORDER

### Brief Facts of the Case

During the spot hearing at Sohela Electrical Sub-division under Bargarh West Electrical Division-II camp on 09.02.2026, the complainant appeared before the Forum whereas SDO- Sohela appeared as respondent before the Forum.

Brief facts pertaining to the case are that the Complainant is a LT- Domestic consumer having consumer No. 5153-0101-0052 with connected load of 2.50 KW. That the Complainant has raised objection regarding the debit amount of Rs.18544.00 added in his bill in Aug'2013. He requested for revision of bills and mentions about verbal complaint being made to the respondent earlier on.

### Gist of Arguments made by the Parties

Both parties were present in the hearing. The contentions made by the parties are as follows:

#### **1. Submission of the Complainant:**

1. The complainant submits that, debit amount of Rs.18544.00 added in his bill in Aug'2013 which resulted to accumulation of arrear.
2. He further submits that; he had made verbal complain to the respondent about the erroneous bill.
3. He also requested the Forum to revise the bills.

#### **2. Reply Submission of the Respondent:**

- i. The respondent submitted verbally that there is no document found in his office regarding the debit sundry amount of Rs.18544.00.
- ii. Again, the Junior Mangaer (F & C), Bargarh West Electrical Division verbally informed the Forum that, as the Office of the Bargarh West Electrical Division has been shifted twice therefore papers regarding sundry have been misplaced and need more time to enquire into the matter. However, the respondent requested the Forum to take appropriate decision as necessary.

## Findings and observations of the Forum

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents and provisions of law have concluded as follows:

- That, the power supply was given to the complainant on 01-01-1990 with a connected load of 2.50 KW.
- In the month of Aug'2013, an amount of Rs.18544.00 has been added in the bill. As per complainant submission, he was unaware of the revision and complained so many times to the respondents for the same but could not submit any documents regarding the complaint to the respondent. Now the complainant has approached the Forum for bill revision after a lapse of 12 years, which could have been done much before that the reason for bill revision could have been traced.
- It is worth to mention here that, as per regulation 7 (c) of OERC (Grievance Redressal Forum and Ombudsman) Regulations,2004, **"The Forum may reject the grievance at any stage under the following circumstances: (c) In cases where the grievance has been submitted two years after the date on which cause of action has arisen"**.
- The respondent was also asked to submit documents regarding reason of bill revision but neither any documents nor any reason could be furnished by the respondents. However, the Junior Manganer (F & C), Bargarh West Electrical Division verbally informed the Forum that, as the Office of the Bargarh West Electrical Division has been shifted twice therefore papers regarding sundry has been misplaced and need more time to enquire into the matter. This is also a gross negligence on the part of the respondent for not keeping the records properly for information of the consumers.
- Therefore, it is decided by the Forum that, the petition made by the complainant is to be rejected as per regulation 7 (c) of OERC (Grievance Redressal Forum and Ombudsman) Regulations,2004.
