Both parties were present in the hearing. The contentions made by the parties are as follows:

1. Submission of the Complainant:

1. The complainant submits that, high consumption bill has been served to him due to wrong meter change resulted to accumulation of arrear.

- ii. The respondent also agreed upon wrong meter change and agreed for revision of bills. However, the respondent requested the Forum to take appropriate decision as necessary.

Written/verbal Submissions were made by both parties and arguments were heard at length. This Forum, after hearing the parties and going through the relevant documents, FG and Samadhan database (Licensee's soft records) and provisions of law have concluded as follows:

1. That the complainant has been billed on actual meter readings up to Feb'2024 with a meter reading of "1903" of meter no. LW447546.

- Any adjustments done during the revision period are also to be taken in to consideration.
