ORDER
(Dt.09.01.2025)

HISTORY OF THE CASE

The Complaint petition filed by the consumer Shri Sudam Bhue who is a LT-Dom. consumer availing a CD of 0.5 KW. He was disputed about the provisional bill raised from May-2022 to Jun-2024. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 07.01.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Agalpur section of Loisingha Sub-division. The complainant represented that he was served with provisional bills May-2022 to Jun-202. For that provisional bill, the total outstanding has been accumulated to ₹ 24,843.19p upto Dec.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Nov-2020. The billing dispute raised by the complainant for the provisional billing from May-2022 to Jun-2024 was due to non-availability of meter reading in his premises. As a new meter has been replaced on 18th Jul. 2024 with meter sl. no. TWSP51150381, the provisional bills raised earlier has not been adjusted which needs to be revised. As the above-stated average billing period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.5 KW. The consumer has availed power supply since 07th Nov. 2020 and total outstanding upto Dec.-2024 is ₹ 24,843.19p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. As represented by the consumer, due to provisional erroneous billing from May-2022 to Jun-2024, it needs bill revision.

The OP admitted the complaint and submitted that a new meter with sl. no. TWSP51150381 has been installed on 18th Jul. 2024, thereafter actual billing has been done. As the meter was changed, the provisional billing done from May-2022 to Jun-2024 has not been adjusted in the billing which needs bill revision. Due to billing with provisional status, the arrear outstanding has been accumulated.

In the instant case, it is surprised that the OP has allowed the consumer to continue with provisional billing for more than two years. Due to such provisional billing, the arrear has been accumulated which could have been avoided if the OP was served actual bill in due time for which it is advised to the OP to be taken care in future.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 19,305.14p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 24,843.19p upto Dec.-2024.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 19,305.14p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
