The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Jun.-2023. PRESIDENT

As complained by the complainant and submission of OP, it is observed by the Forum that,

As per billing data, power supply to the consumer has been released on 19th Jun. 2023 but the consumer disputed that power supply to his premises has been released on 29th Nov. 2024. Against that, the OP was asked seven day time to verify the matter and will make field inspection. They were undertaken to submit a detailed report within 7 days before the Forum. The OP inspected the premises the premises on 06th Mar. 2025 and submitted the report on the same day vide ref. no. nil and certified that the consumer has availed power supply on 29th Nov. 2024. The inspection report dated 06th Mar. 2025 submitted by SDO-Tusura has been taken into record. As per billing ledger, it is observed that a new meter with sl. no. TWB1139089 has been installed on 29th Nov. 2024.

From the above, it is clear evident that power supply has been given to the consumer on 29th Nov. 2024 i.e. after installation of meter. Hence, the bills raised during no supply period needs bill revision under CI-155 & 157 of OERC Dist. (Conditions of Supply) Code 2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The energy bills raised to the consumer from 19th Jun. 2023 to 29th Nov. 2024 must be withdrawn as there was no power supply to the consumer premises.
2. DPS is to be levied as per OERC Regulation.
3. All sundries and adjustments are to be considered during the above revision period.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
