PRESIDENT

Based on the above, the OP requested before the Forum to reject the complaint of complainant and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.5 KW. The consumer has availed power supply since 09th Sep. 2018. As complained by the complainant and submission of OP, it is observed by the Forum that,

As represented by the consumer, an additional bill of ₹ 13,380.96p has been added in the bill of Jan.-2025 which needs to be withdrawn. The OP submitted with relevant record that, the energy meter installed in the premises was gone defective w.e.f. Dec.-2021 and continued with same status till Nov.-2023. The OP has replaced the defective meter with a new meter on 07th Dec. 2023 with meter no. TWB609054 and has been reflected in the bill. Thereafter, the monthly energy bill has been raised on actual meter reading basis. The dispute has raised for imposition of additional bill of ₹ 13,380.96p was due to delay replacement of meter by the OP. Off-late, the OP has replaced the meter after three years of meter defective which violates CI-155 of OERC Distribution (Conditions of Supply) Code-2019 and also attracts under Schedule-III of Guaranteed Standard of Performance of OERC Distribution (Conditions of Supply) Code. Hence, it is advised the OP to be more pro-active for replacement of defective meter within standard time as prescribed by Hon'ble OERC. In the instant case, the OP has exercised CI-155 of OERC Dist. (Conditions of Supply) Code 2019.

During the course of hearing, the OP intimated the Forum that they have re-calculated the additional bill in line with the circular issued by TPWODL. Accordingly, the re-assessed amount has been recalculated with the consumption and an amount of ₹ 2,478.48p is to be debited and ₹ 13,380.96p which was debited in the bill of Jan-2025 is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP has initiated the re-assessment of upward assessed amount and the petitioner has convinced with the proposal. Accordingly, the re-assessed amount of ₹ 2,478.48p is to be debited and the upward assessment of ₹ 13,380.96p which was debited in the bill of Jan-2025 is to be withdrawn. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
