MEMBER (FIR.)

PRESIDENT

2025 is a genuine dispute. This has happened due to suppressed meter reading done by concerned meter to prevent actual billing in the previous months. As the above-stated period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 6 KW. The consumer has availed power supply since 17th Jan. 2013 under DOM category and total outstanding upto Feb.-2026 is ₹ 25,208.58p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer represented that erroneous reading & inflated billing has been done from the date of power supply to Apr.-2025 which needs bill revision as per actual meter reading.

The OP admitted the complaint and submitted that due to suppressed meter reading by the concerned meter reader in the above-stated period, the consumer was billed less units than his actual consumption. Hence, to resolve the consumer grievances, the meter reading should be recasted as per TPWODL guidelines.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 10,650.93p is to be withdrawn from the arrear outstanding.

2. The Forum observed that the contract demand of the consumer is 6 KW and the consumer is availing power supply in 1-ph which violates CI-134 (I) (1) (c) of OERC Regulation Code-2019. Hence, the Forum licensee is directed to take necessary step to convert the supply system from 1-ph to 3-ph supply.
3. The complainant has not paid the monthly bill regularly for which the total outstanding has been accumulated to ₹ 25,208.58p upto Feb.-2026.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The OP has agreed with the billing dispute and revised the bill on spot and the petitioner has convinced with the proposed withdrawal amount of ₹ 10,650.93p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.
2. The OP is directed to convert the supply system from 1-ph to 3-ph supply in line with CI-134 (I) (1) (c) of OERC Regulation Code-2019 and proper metering arrangement must be done to ascertain actual consumption and proper meter reading.
