FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.5 KW. The consumer has availed power supply since 12th Nov. 2018 and total outstanding upto Feb.-2025 is ₹ 18,783.40p. As complained by the complainant and submission of OP, it is observed by the Forum that,

As per billing data, power supply to the consumer has been released on 12th Nov. 2018 but the consumer disputed that power supply to his premises has been released during the year 2022-23. Against that, the OP was asked seven day time to verify the matter and will make field inspection. They were undertaken to submit a detailed report within 7 days before the Forum. The OP inspected the premises the premises on 04th Apr. 2025 and submitted the report on the same day vide ref. no. nil and certified that the consumer has availed power supply since Nov-2018. Also, the OP submitted that power supply to the consumer has been released through meter no. LW020138 but due to wrong punching of meter no. as WESCO9190496, meter no. correction is required. The inspection report dated 04th Apr. 2025 submitted by SDO-II, Balangir has been taken into record.

From the above, it is clear evident that power supply has been given to the consumer on 12th Nov. 2018. Hence, the contention of the complainant has no base.

The Forum has gone through the FG-meter photo reading and found that meter no. LW020138 (Make: Visiontek) is existing in the consumer premises with CMR: 3129 as on Feb-2025 billing.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The complaint made by the complainant is baseless and hence the petition of the complainant is hereby rejected.

Case is disposed off accordingly.
