**OPPOSITE PARTY**

**ORDER**  
**(Dt.27.01.2026)**

During Camp Court hearing at Kandajuri PSS on 16<sup>th</sup> Jan. 2026, the representative of the consumer Shri Prasanta Kumar Behera was present & Shri Sunil Kumar Swain, SDO-II, Balangir was present as opposite party.

**HISTORY OF THE CASE**

The Complaint petition filed by the representative of the consumer Shri Prasanta Kumar Behera who is a LT-Dom. consumer availing a CD of 1.5KW. He has disputed about the additional bill of ₹ 9,082.38p which has been added in the bill of May-2025 and requested for bill revision. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 16.01.2026**

**SUBMISSION OF COMPLAINANT DURING HEARING**

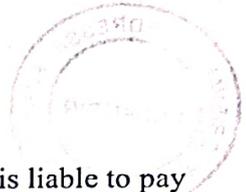

The complainant is a consumer under Chatamakha Section of Balangir-II Sub-division. The complainant represented that an additional bill of ₹ 9,082.03p has been debited in the bill of May-2025 illegally which needs to be withdrawn. Also, power supply to his premises was under disconnection from Dec-2021 to Jun-2024. Considering this, the complainant requested before the Forum for revision of bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Nov.-2009. The billing dispute raised by the complainant for the additional bill of ₹ 9,082.03p as has been raised in May-2025 bill

**MEMBER (Fin.)**

**PRESIDENT**

is in obedience to CI-155 of OERC Dist. (Conditions of Supply) Code 2019 which is liable to pay by the consumer. But, power supply to the consumer was under disconnection from Dec.-2021 to Jun-2024. But while calculation of additional bill, the DC period has not been taken into consideration. The reason of additional bill raised due to average billing made from Jun.-2021 to Jun-2024 due to meter defective. On 15<sup>th</sup> Jun. 2024, the defective meter has been replaced with a new meter having meter no. TWST173017. After meter replacement, the monthly bills have been generated on actual basis. The additional bill raised in May-2025 requires bill revision considering the power supply disconnection period.

Based on the above, the OP requested before the Forum to consider this and pass order as deemed fit.

### **FINDINGS AND ANALYSIS OF THE FORUM**

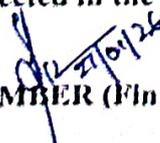

The consumer is a LT-Dom. consumer with a CD of 1.5 KW. The consumer has availed power supply since 02<sup>nd</sup> Nov. 2009 and total outstanding upto Dec.-2025 is ₹ 9,082.38p. As complained by the complainant and submission of OP, it is observed by the Forum that,

As represented by the consumer, an additional bill of ₹ 9,082.03p has been added in the bill of May-2025 whereas power supply to his premises was under disconnection from Dec-2021 to 14<sup>th</sup> Jun. 2024. The OP submitted with relevant record that, the energy meter installed in the premises has gone defective w.e.f. Jun-2021 to May-2024. The OP has replaced the defective meter with a new meter on 15<sup>th</sup> Jun. 2024 with meter no. TWST1730317 and has been reflected in the bill. Thereafter, the monthly energy bill has been raised on actual meter reading basis. The dispute raised for imposition of additional bill of ₹ 9,082.03p was due to delay replacement of meter by the OP. Off-late, the OP has replaced the meter after three years of meter defective which violates CI-155 of OERC Distribution (Conditions of Supply) Code-2019 and also attracts under Schedule-III of Guaranteed Standard of Performance of OERC Distribution (Conditions of Supply) Code. Hence, it is advised the OP to be more pro-active for replacement of defective meter within standard time as prescribed by Hon'ble OERC. In the instant case, the OP has exercised CI-155 of OERC Dist. (Conditions of Supply) Code 2019. Also, as admitted by the OP, power supply to the consumer premises was under disconnection from Dec-2021 to 14<sup>th</sup> Jun. 2024. Power supply has been resumed on 15<sup>th</sup> Jun. 2024 after installation of new meter.

During the course of hearing, the OP admitted with the billing complaints and intimated that they have initiated re-assessment of upward assessment observing departmental guidelines. Accordingly, the re-assessed amount has been recalculated with the consumption and an amount of ₹ 2,947.11p is to be debited and ₹ 9,082.03p which was debited in the bill of May-2025 is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

**The OP has initiated re-assessment of upward assessed amount and the petitioner was convinced with the proposal. Accordingly, the re-assessed amount of ₹ 2,947.11p is to be debited and the upward assessment of ₹ 9,082.03p which was debited in the bill of May-2025 is to be withdrawn. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.**

  
MEMBER (Fin.)

  
PRESIDENT

Case is disposed off accordingly.

**Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.**
