OPPOSITE PARTY

ORDER

(Dt.25.03.2025)

HISTORY OF THE CASE

The Complaint petition filed by the representative of the consumer Shri Kapileswar Bag who is a LT-Dom. consumer availing a CD of 1.5 KW. He has disputed about the erroneous bills raised from Dec-2019 to Feb-2021. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 19.03.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under REC section of Balangir-II Sub-division. The consumer represented that he has been served with erroneous bills from Dec-2019 to Feb-2021. For that, the total outstanding has been accumulated to ₹ 11,610.99p upto Feb.-2025. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Jun-2011. The billing dispute raised by the complainant for the erroneous billing from Dec-2019 to Jan-2021 is a genuine dispute. This has happened due to erratic meter reading & meter status punched by concerned meter reader during that period. The energy meter of the consumer has been replaced with a new meter on 27th Dec. 2019 with meter sl. no. LW573957. Hence, the above-stated period is to be recasted as per actual meter reading of the new meter to redress the consumer grievances. As the above-stated period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1.5 KW. The consumer has availed power supply since 29th Jun. 2011 and total outstanding upto Feb.-2025 is ₹ 11,610.99p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer represented that erroneous billing has been done from Dec-2019 to Jan-2021 which needs bill revision as per actual meter reading.

The OP admitted the complaint and submitted that due to erroneous meter reading & meter status punched by the concerned meter reader in the above-stated period, the consumer was billed erroneously. The energy meter of the consumer has been replaced with a new meter on 27th Dec. 2019 with sl. no. LW573957. Hence, to resolve the consumer grievances, the meter reading should be recasted as per TPWODL guidelines.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 3,344.67p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 11,610.99p upto Feb.-2025.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 3,344.67p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
