TPWODL, Kantabanji

- OPPOSITE PARTY

ORDER
(Dt.31.03.2026)

During Camp Court hearing at Dabri PSS on 25th Mar. 2026, the consumer Shri Rajkishor Sahu was present & Shri Sanjay Tirkey, SDO-Kantabanji was present as opposite party.

HISTORY OF THE CASE

The Complaint petition filed by the consumer Shri Rajkishor Sahu who is a LT-Dom. consumer availing a CD of 1 KW. He was disputed about the non-linear meter reading during Aug-2022 to Dec-2025. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 25.03.2026

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Tureikela Section of Kantabanji Sub-division. The complainant represented that non-linear meter reading has been done for the period Aug-2022 to Dec-2025 with erroneous & inflated billed units. For that, the total outstanding has been accumulated to ₹ 18,832.55p upto Feb.-2026. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Nov.-2001. The billing dispute raised by the complainant for non-linear & inflated billed units for the period Aug-2022 to Dec-2025 is a genuine dispute. This has happened due to suppressed meter reading done by concerned meter to prevent actual billing in the previous months. As the above-stated period bill has not been revised, it needs bill revision.

MEMBER (Fin.)

PRESIDENT

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer is availing power supply since 27th Nov. 2001 under DOM category and total outstanding upto Feb.-2026 is ₹ 18,832.55p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer represented that non-linear, erroneous reading & inflated billing has been during Aug-2022 to Dec-2025 which needs bill revision as per actual meter reading.

The OP admitted the complaint and submitted that due to suppressed meter reading by the concerned meter reader in the above-stated period, the consumer was billed less units than his actual consumption. Hence, to resolve the consumer grievances, the meter reading should be recasted as per TPWODL guidelines.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 705.26p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 18,832.55p upto Feb.-2026.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 705.26p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
