**ORDER**  
**(Dt.09.04.2026)**

During Camp Court hearing at Ghumer PSS on 07<sup>th</sup> Apr. 2026, the representative of the consumer Shri Hirachand Behera was present & Shri Debadatta Mahapatra, SDO-Patnagarh Sub-division was present as opposite party.

**HISTORY OF THE CASE**

The Complaint petition has filed by the representative of the consumer Shri Hirachand Behera who is a LT-Dom. consumer availing a CD of 1.7 KW. He was disputed about the provisional & average bill raised from Feb.-2019 to Jul.-2019. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 07.04.2026**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under ESO-III section of Patnagarh Sub-division. The consumer represented that he was served with provisional & average bills from Feb.-2019 to Jul.-2019 due to meter defective. For that, the total outstanding has been accumulated to ₹ 4,201.16p upto Feb.-2026. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply prior to Apr-1999. The billing dispute raised by the complainant for the average billing from Feb-2019 to Jul-2019 was due to meter defective for that period. A new meter with sl. no. LWO95737 has been installed on 02<sup>nd</sup> Apr. 2019, thereafter actual billing has been done. As the above-stated period bill has not yet revised, it needs bill revision as per Cl-155 of OERC Regulation (Conditions of Supply) Code 2019.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

### **FINDINGS AND ANALYSIS OF THE FORUM**

The consumer is a LT-Dom. consumer with a CD of 1.7 KW. The consumer has availed power supply prior to Apr-1999 and total outstanding upto Feb.-2026 is ₹ 4,201.16p. As complained by the complainant and submission of OP, it is observed by the Forum that,

As represented by the consumer, due to meter defective, he has been served with average bills from Feb.-2019 to Jul-2019 which needs bill revision.

The OP admitted the complaint and submitted that a new meter has been installed with meter no. LWO95737 on 02<sup>nd</sup> Apr. 2019, but due to delay in meter data updation, the meter no. has been reflected in Jul-2019 billing with CMR : 500, thereafter actual billing has been done. The defective billing period needs bill revision as per consumption of new meter as per CI-155 of OERC Regulation (Conditions of Supply) Code 2019.

In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than six months which violates CI-155 of OERC Distribution (Conditions of Supply) Code-2019 and also attracts under Schedule-III of Guaranteed Standard of Performance of OERC Distribution (Conditions of Supply) Code. Hence, it is advised the OP to be more proactive for replacement of defective meter within standard time as prescribed by Hon'ble OERC. Due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 3,340.88p is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

**The OP has agreed with the billing dispute and revised the bill on spot and the petitioner has convinced with the proposed withdrawal amount of ₹ 3,340.88p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.**

Case is disposed off accordingly.

**Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.**
