OPPOSITE PARTY

ORDER

(Dt.29.03.2025)

HISTORY OF THE CASE

The Complaint petition filed by the consumer Shri Durjadhan Sahu who is a LT-Dom. consumer availing a CD of 1 KW. He has disputed about the provisional bill raised from the date of power supply to Apr-2023. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 26.03.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Sindhekela section of Titilagarh Sub-division. The consumer represented that he has been served with provisional bills from the date of power supply to Aug-2023. For that provisional bills the total outstanding amount has been accumulated to ₹ 7,521.40p upto Feb.-2025. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Mar-2019. The billing dispute raised by the complainant for the provisional billing from the date of power supply to Mar-2023 is a genuine dispute. A new meter with sl. no. TPWODL1152791 has been installed on 03rd May 2023, thereafter actual billing has been done. As the above-stated average billing period bill has not yet revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since 05th Mar. 2019 and total outstanding upto Feb.-2025 is ₹ 7,521.40p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer has availed power supply on 05th Mar. 2019 but the first bill has been generated by the licensee on Jan.-2023 which attracts CI-152 (ii) of OERC Dist. Conditions of Supply) Code 2019 which is a gross negligence on the part of OP which should not be. The Forum has taken this as a **serious note** and advised the OP to ensure bill generation from the first month of power supply.
2. The OP admitted the complaint and submitted that a new meter with sl. no. TPWODL1152791 has been installed on 03rd May 2023, thereafter actual billing has been done. Due to meter change, the provisional billing generated from May-2019 to Apr-2023 has not been adjusted in the subsequent bill resulting accumulation of arrear outstanding.
3. During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the post-meter installation consumption pattern and an amount of ₹ 4,500.00p is to be withdrawn from the arrear outstanding.
4. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 7,521.40p upto Feb.-2025.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 4,500.00p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
