Sub-Divisional Officer,  
Electrical Sub-Division,  
TPWODL, Patnagarh

- OPPOSITE PARTY

**ORDER**  
**(Dt.30.04.2026)**

During Camp Court hearing at Belpada Section office on 24<sup>th</sup> Apr. 2026, the representative of the consumer Shri Manoj Kok was present & Shri Jasobanta Narayan Deo, I/c SDO-Patnagarh was present as opposite party.

**HISTORY OF THE CASE**

The Complaint petition filed by the representative of the consumer Shri Manoj Kok who is a LT-Dom. consumer availing a CD of 0.5 KW. He was disputed about the erroneous bill of Feb-2026 with 1016 units amounting to ₹ 5,997.50p. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 24.04.2026**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under Belpada Section of Patnagarh Sub-division. The complainant represented that he has served an erroneous & inflated bill in Feb-2026 with 1016 units for which the total outstanding arrear has been accumulated to ₹ 5,997.50p upto Mar.-2026. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Mar-2016. The billing dispute

MEMBER (Fin.)

PRESIDENT

raised by the complainant for the month of Feb-2026 is not a genuine dispute. Actually, the energy meter of the consumer has been replaced on 22<sup>nd</sup> Feb. 2026 with meter sl. no. TWSU51004602. As per old meter final reading and consumption of new meter reading, bill of Feb-26 has been generated with 1016 units.

Considering the above, the OP requested before the Forum to reject the petition of the complainant and pass order as deemed fit.

**FINDINGS AND ANALYSIS OF THE FORUM**

The consumer is a LT-Dom. consumer with a CD of 0.5 KW. The consumer has availed power supply since 31<sup>st</sup> Mar. 2016 and total outstanding upto Mar.-2026 is ₹ 5,997.50p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer represented that erroneous billing has been done in Feb-2026 with 1016 units which needs bill revision.

The OP admitted the complaint and submitted that a new meter has been installed with meter no. TWSU51004602 on 22<sup>nd</sup> Feb. 2026. Based on FMR of old meter reading and consumption of new meter reading, the bill has prepared.

2. The Forum analysed the billing ledger submitted by OP. It is observed that the consumer was billed with previous meter no. WLT240637 with CMR till 22<sup>nd</sup> Feb. 2026 and CMR in Jan.-2026 is 2223 with meter running condition. The same has been verified with meter photo available in FG database and found that the CMR of Jan.-2026 is 2223. The said meter has been replaced with a new smart meter with sl. no. TWSU51004602 on 22<sup>nd</sup> Feb. 2026. The CMR of new meter on 05<sup>th</sup> Mar. 2026 is 14. But in the meter replacement data, the CMR of old meter has been punched as 3225. Hence, it is to say that the consumption from 04<sup>th</sup> Feb. 2026 to 22<sup>nd</sup> Feb. 2026 is  $3225 - 2223 = 1002$  for 19 days. The Forum asked the OP to submit the meter replacement data within seven days. The OP collected the meter replacement sheet from MMG team submitted the same on 28<sup>th</sup> Apr. 2026 and found that the CMR of old meter on 22<sup>nd</sup> Feb. 2026 is 2223. In support to that, the meter replacement sheet prepared by MMG team has also confirmed the same. From the above, it is clear that there is some typographical error while uploading of meter replacement data. The actual CMR is 2223 but wrongly it has been punched as 3225. Hence, the bill of Feb-2026 is to be revised as follows,

		ALREADY BILLED	TO BE BILLED
1	CMR OF DEC-25	2213	2213
2	CMR OF JAN-26	2223	2223
3	FINAL READING ON 22.02.26	3225	2223
4	CMR OF NEW METER ON 05.03.26	14	14
5	UNITS CONSUMPTION FOR FEB-26 (3 -2 + 4)	1016	14

MEMBER (Fin.) 30/04/26

PRESIDENT

3. On scrutiny of the documents, it is observed by the Forum that the bills raised for Feb-26 needs bill revision under CI-155 & 157 of OERC Distribution Code-2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

**The OP directed to revise the bill of Feb-2026 by considering old meter CMR on the date of replacement as 2223 instead of 3225 and consumption of new meter as 14 totaling of 14 units and serve the consumer for making payment.**

Case is disposed off accordingly.

**Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.**
