OPPOSITE PARTY

ORDER
(Dt.26.05.2026)

During Camp Court hearing at Kendumundi PSS on 12th May 2026, the consumer Shri Benudhar Padhan was present & Shri Kshirodra Kumar Meher, OAG-II, Auth. Rep. of SDO-Loisingha was present on behalf of opposite party.

HISTORY OF THE CASE

The Complaint petition filed by the consumer Shri Benudhar Padhan who is a LT-Dom. consumer availing a CD of 0.76 KW. He was disputed that power supply to his premises has been disconnected from the year 2012 to 2017 but false energy bills have been generated by the OP and appealed before the Forum for withdrawal of bills during no power supply period. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 12.05.2026

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Agalpur Section of Loisingha Sub-division. The complainant represented that power supply to his premises has been disconnected for the period 2012 to 2017 but fictitious bills have been raised by the OP. For that false bill, the arrear outstanding has been accumulated to ₹ 16,716.83p upto Mar-2026. The complainant raised dispute against the said period and requested before the Forum for suitable revision of bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Mar.-2009. The billing dispute raised by the complainant for the false billing about no power supply period requires field verification for which seven days time may be allowed to make field verification.

MEMBER (Fin.)

PRESIDENT

Considering the above, the OP requested before the Forum to allow 7 day time to submit the physical verification report.

REMARKS OF FIELD VERIFICATION REPORT OF O.P.

The OP inspected the consumer premises on 14th May 2026 and submitted the report before the Forum on 21st May 2026 and certified that the consumer has not used power supply from Oct-2014 to Oct-2017. The report submitted by OP dated 14th May 2026 has taken into record.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.76 KW. As per record, the consumer has availed power supply since 24th Mar. 2009 and total outstanding upto Mar.-2026 is ₹ 16,716.83p. As complained by the complainant and submission of OP, it is observed by the Forum that,

The complainant represented that power supply to his premises was under disconnection from the year 2012 to 2017 but the OP has raised fictitious bills during that period. Against that, the OP was asked seven day time to verify the matter and will make field inspection. The OP inspected the premises the premises on 14th May 2026 and submitted the report before the Forum. The abstract of the report is,

"During physical verification of the above-mentioned consumer, meter status is OK. As per concerned lineman report, line has been disconnected from Oct-2014 to Oct-2017. So please withdrawn his DC period bill."

The inspection report dated 14th May 2026 submitted by OP has been taken into record.

From the above, it is clear evident that power supply to the consumer premises was under disconnection from Oct-2014 to Oct-2017. Hence, the bills raised from Oct-2014 to Oct-2017 needs bill revision as per OERC Regulation (Conditions of Supply) Code 2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The energy bills raised to the consumer from Oct-2014 to Oct-2017 must be withdrawn as there was no power supply to the consumer premises. All sundries and adjustments are to be considered during the above revision period.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
