ORDER

(Dt.17.01.2025)

HISTORY OF THE CASE

The Complaint petition filed by the representative of the consumer Shri Ghanashyam Sahu who is a LT-Dom. consumer availing a CD of 1 KW. He has disputed about the average bill raised from Mar.-2018 to Jul-2021. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 16.01.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Muribahal section of Kantabanji Sub-division. The complainant represented that he was served with average bill from Mar.-2018 to Jul-2021 due to meter defective. For that, the total outstanding has been accumulated to ₹ 14,902.58p upto Nov.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Nov.-2011. The billing dispute raised by the complainant for the average billing from Mar-2018 to Jul-2021 was due to meter defective for that period. A new meter with sl. no. LW521812 has been installed during Aug.-2021, thereafter actual billing has been done. As the above-stated period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since 18th Nov. 2011 and total outstanding upto Nov.-2024 is ₹ 14,902.58p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. As represented by the consumer, due to meter defective, he was served with average bills from Mar-2018 to Jul-2021 which needs bill revision.

The OP admitted the complaint and submitted that a new meter has been installed with meter no. LW521812 during Aug-2021 and thereafter actual billing has been done. The defective billing period needs bill revision as per consumption of new meter.

In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than three years. Due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 6,549.60p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 14,902.58p upto Nov.-2024.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 6,549.60p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
