Sub-Divisional Officer,
Electrical Sub-Division,
TPWODL, B.M.Pur

- **OPPOSITE PARTY**

ORDER

(Dt.27.01.2025)

HISTORY OF THE CASE

The Complaint petition filed by the representative of the consumer Shri Akshaya Meher who is a LT-Dom. consumer availing a CD of 1 KW. He was disputed about the provisional bill raised from the date of supply to Sep.-2024. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 18.01.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under B M Pur section of B M Pur Sub-division. The consumer represented that he was served with provisional bills from the date of power supply to Sep.-2024. For that provisional bill, the arrear amount has been accumulated to ₹ 18,789.77p upto Dec.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Nov.-2018. The billing dispute raised by the complainant for the provisional billing from the date of power supply to Sep-2024 was due to non-availability of meter reading in his premises. The same meter with sl. no. WESCO9218772 has been installed from the date of supply and continuing till date, but the provisional bills raised earlier has not been adjusted subsequently which needs to be revised. As the above-stated average billing period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since 05th Nov. 2018 and total outstanding upto Dec.-2024 is ₹ 18,789.77p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer has availed power supply with meter from the date of power supply i.e. 05th Nov. 2018 but the OP fails to serve the monthly bills on actual meter reading basis till Sep-2024 which violates OERC Dist. Conditions of Supply) Code 2019 which is a gross negligence on the part of OP which should not be. The Forum has taken this as a **serious note** and warned the OP not to repeat such things in future.
2. The OP admitted the complaint and submitted that meter has already been installed from the date of power supply with meter no. WESCO9218772 but due to some unknown reason, provisional bills were served till Sep-2024. During Oct.-2024, meter reading was done with CMR : 721 but the provisional bills raised earlier has not been adjusted in subsequent bill which needs bill revision. Due to billing with provisional status, the arrear outstanding has been accumulated.
3. During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 26,563.73p is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 26,563.73p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
