FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. As per record, the consumer has availed power supply since 12th Oct. 2018 and total outstanding upto May-2025 is ₹ 805.04p. As complained by the complainant and submission of OP, it is observed by the Forum that,

As per billing data, power supply to the consumer has been released on 12th Oct. 2018 but the consumer disputed that power supply to his premises has been released during Jul.-2024. Against that, the OP was asked seven day time to verify the matter and will make field inspection. They were undertaken to submit a detailed report within 7 days before the Forum. The OP inspected the premises the premises on 29th Jun. 2025 and submitted the report before the Forum on 30th Jun. 2025 and certified that the consumer has availed power supply during the year 2018. The inspection report dated 29th Jun. 2025 submitted by the OP has been taken into record.

From the above, it is clear evident that power supply has been given to the consumer on 12th Oct. 2018 and the petition submitted by the complainant has not based on facts.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The petition of the complainant has no base and hereby rejected.

Case is disposed off accordingly.
