TPWODL, B.M.Pur

OPPOSITE PARTY

ORDER
(Dt.29.07.2025)

HISTORY OF THE CASE

The Complainant is a LT-GPS. consumer availing a CD of 1 KW. The complainant represented that he is getting abnormal & inflated bill after installation of new meter on 24th Apr. 2025. For that inflated bill, the arrear has been accumulated to ₹ 8,537.29p upto Jun.-2025. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 18.07.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Ullunda section of B M Pur Sub-division. The consumer represented that he has been served with abnormal & inflated bill from the date of installation of new meter since 24th Apr. 2025 and he is under apprehension that the said meter is recording excess consumption than actual consumption. The complainant raised dispute against the said period and requested before the Forum for replacement of meter and suitable revision of bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-GPS consumer availing power supply since Mar.-1997. The billing dispute raised by the complainant for the inflated billing from Apr-2025 is not a genuine dispute as all bills are raised on actual meter reading basis. Hence, the petition of the complainant should be rejected.

Considering the above, the OP requested before the Forum to pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-GPS. consumer with a CD of 1 KW. The consumer has availed power supply since 06th Mar. 1997 and the arrear outstanding upto Jun.-2025 is ₹ 8,537.29p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The energy meter of the consumer has been replaced with a new technological upgraded meter on 24th Apr. 2025 with meter sl. no. TWST15024836. The consumer has disputed the accuracy of the meter and represented that the said meter is showing excess consumption than actual consumption.
2. In response to that, the Forum directed the complainant to deposit the required meter testing fees with the licensee within seven days and directed the OP to test the meter by the MMG team at the earliest with submission of detailed report to the Forum. Accordingly, the complainant deposited the required testing fees of ₹ 500/- on the same day vide receipt no. 44746418072501020001. The MMG team has tested the meter on 28th Jul. 2025 and submitted the report. The abstract of the PVR is,
"The meter is tested and accuracy found within permissible limit. Error = (-) 0.47%."

The meter test conducted by MMG team and report generated on 28th Jul. 2025 has taken into record.

3. Hence, it is concluded that the present meter i.e. meter no. TWST15024836 is out of error.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The accuracy of meter (meter sl. no. : TWST15024836) disputed by the complainant has tested on 28th Jul. 2025 and found error is within permissible limit. Hence, the petition of the complainant regarding dispute on meter accuracy is hereby rejected and directed to clear the arrear outstanding.

Case is disposed off accordingly.
