OPPOSITE PARTY

ORDER

(Dt.31.07.2025)

During Camp Court hearing at Bangomunda on 23rd Jul. 2025, the consumer Shri Dhabaleswar Bag was present & Shri Sanjay Tirkey, SDO-Kantabanji was present as opposite party.

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 1 KW. The complainant represented that he is getting abnormal & inflated bill in the existing meter. For that inflated bill, the arrear has been accumulated to ₹ 38,820.09p upto Jun.-2025. The complainant raised dispute against the said meter and requested before the Forum for suitable revision of the bill.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 23.07.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Tureikela section of Kantabanji Sub-division. The consumer represented that he has been served with abnormal & inflated bill in the existing meter and he is under apprehension that the said meter is recording excess consumption than actual consumption. The complainant raised dispute against the said period and requested before the Forum for replacement of meter and suitable revision of bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-Dom consumer availing power supply since Nov-2016. The billing dispute raised by the complainant for the inflated billing with the new meter is not a genuine dispute as all bills are raised on actual meter reading basis. Hence, the petition of the complainant should be rejected.

Considering the above, the OP requested before the Forum to pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since 06th Nov. 2016 and the arrear outstanding upto Jun-2025 is ₹ 38,820.09p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The existing energy meter (WUS21462) of the consumer has been installed since the date of power supply i.e. on 06th Nov. 2016. Now, the consumer has disputed the accuracy of the meter and represented that the said meter is showing excess consumption than actual consumption.
2. In response to that, the Forum directed the complainant to deposit the required meter testing fees with the licensee within seven days and directed the OP to test the meter by the MMG team at the earliest on submission of detailed report to the Forum. Accordingly, the complainant deposited the required testing fees of ₹ 500/- on the same day vide receipt no. 44741823072505050005. The MMG team has tested the meter on 31st Jul. 2025 and submitted the report before the Forum on the same day. The abstract of the PVR is,

“During testing it has been found that the testing result is within limit i.e. 0.17%.”

The meter test conducted by MMG team and report generated on 31st Jul. 2025 was taken into record.

3. Hence, it is concluded that the present meter i.e. meter no. WUS21462 is out of error.
4. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 43,383.95p upto Jun.-2025.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The accuracy of meter (meter sl. no.: WUS21462) disputed by the complainant has been tested on 31st Jul. 2025 and found that the error is within permissible limit. Hence, the petition of the complainant regarding dispute on meter accuracy is hereby rejected and directed to clear the arrear outstanding.

Case is disposed off accordingly.
