He has disputed about the average bill raised from Aug-2011 to Feb-2014. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 08.08.2025

for that period. A new meter with sl. no. 1028422 was installed during Mar-2014, thereafter actual billing has been done. As the above-stated period bill has not revised, it needs bill revision as per CI-155 of OERC Regulation (Conditions of Supply) Code 2019.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 2 KW. The consumer has availed power supply since 14th Jul. 2006 and total outstanding upto Jul.-2025 is ₹ 1,53,913.83p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. As represented by the consumer, due to meter defective, he was served with average bills from Aug-2011 to Feb-2014 which needs bill revision.

The OP admitted the complaint and submitted that a new meter has been installed with meter no. 1028422 during Mar-2014, thereafter actual billing has been done. The defective billing period needs bill revision as per consumption of new meter as per CI-155 of OERC Regulation (Conditions of Supply) Code 2019.

In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than two years which violates CI-155 of OERC Distribution (Conditions of Supply) Code-2019 and also attracts under Schedule-III of Guaranteed Standard of Performance of OERC Distribution (Conditions of Supply) Code. Hence, it is advised the OP to be more pro-active for replacement of defective meter within standard time as prescribed by Hon'ble OERC. Due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 17,264.48p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the total outstanding has been accumulated to ₹ 1,53,913.83p upto Jul.-2025.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP has agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 17,264.48p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.
