OPPOSITE PARTY

ORDER
(Dt.31.08.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 0.05 KW. The complainant represented that he is being served with abnormal & inflated bill after installation of new meter in Jan.-2024. For that inflated bill, the arrear has accumulated to ₹ 21,897.30p upto Jun.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 26.07.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Chatamakhna section of Balangir-II Sub-division. The consumer represented that he is served with abnormal & inflated bill from the date of installation of new meter since Jan.-2024 and he is under apprehension that the said meter is recording excess consumption than actual consumption.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-Dom consumer availing power supply since Aug-2013. The billing dispute raised by the complainant for the inflated billing from Jan.-2024 is not a genuine dispute as all bills were raised on actual meter reading basis. Hence, the petition of the complainant should be rejected.

Considering the above, the OP requested before the Forum to pass order as deemed fit.

MEMBER (Fin.)

PRESIDENT

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.05 KW. The consumer has availed power supply since 22nd Aug. 2013 and the arrear outstanding upto Jun.-2024 is ₹ 21,897.30p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The energy meter of the consumer has been replaced with a new meter on 27th Jan. 2024 with meter sl. no. TWB309832. The consumer has disputed the accuracy of the meter and represented that the said meter is showing excess consumption than actual consumption.
2. In response to that, the Forum directed the complainant to deposit the required meter testing fees with the licensee within seven days and directed the OP to test the meter by the MMG team at the earliest with submission of detailed report to the Forum. Accordingly, the complainant deposited the required testing fees of ₹ 500/- + GST @ 18% totalling ₹ 590/- on dated 26th Jul. 2024 vide receipt no. 44741126072402020001. The MMG team has tested the meter on 23rd Aug. 2024 and submitted the report. The abstract of the PVR is,

“During testing, meter found perfect & error found 0.32%”

The meter test conducted by MMG team and report generated on 23rd Aug. 2024 has been taken into record.

3. Hence, it is concluded that the present meter i.e. meter no. TWB309832 is out of error.

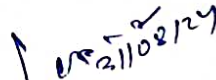

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The disputed meter i.e. sl. no. TWB309832 has been tested and found error is within permissible limit. Hence, the petition of the complainant regarding dispute on meter accuracy is hereby rejected and directed to clear the arrear outstanding.

Case is disposed off accordingly.
