Via-Dunguripali,  
Dist-Sonepur  
Con. No. 915302190146

**COMPLAINANT**

**-Versus-**

Sub-Divisional Officer,  
Electrical Sub-Division,  
TPWODL, Binka

**OPPOSITE PARTY**

**ORDER**  
**(Dt.27.01.2025)**

**HISTORY OF THE CASE**

The Complaint petition filed by the consumer Shri Debendra Hota who is a LT-Dom. consumer availing a CD of 4 KW. He has disputed about the average bill raised from Mar-Apr/2020 to Apr-2024. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED: 22.01.2025**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under Cherupali section of Binka Sub-division. The complainant represented that he was served with average bill from Mar-Apr/2020 to Apr-2024 due to meter defective. For that, the total outstanding arrear has been accumulated to ₹ 22,527.04p upto Dec.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Feb.-2002. The billing dispute raised by the complainant for the average billing from Mar-Apr/2020 to Apr-2024 was due to meter defective for that period. A new meter with sl. no. TWB334210 has been installed on 16<sup>th</sup> Jul. 2024, thereafter actual billing has been done. As the above-stated period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

## **FINDINGS AND ANALYSIS OF THE FORUM**

The consumer is a LT-Dom. consumer with a CD of 4 KW. The consumer has availed power supply since 24<sup>th</sup> Feb. 2002 and total outstanding upto Dec.-2024 is ₹ 22,527.04p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. As represented by the consumer, due to meter defective, he was served with average bills from Mar-Apr/2020 to Apr-2024 which needs bill revision.

The OP admitted the complaint and submitted that a new meter has been installed with meter no. TWB334210 on 16<sup>th</sup> Jul. 2024 and thereafter actual billing has been done. The defective billing period needs bill revision as per consumption of new meter.

In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than four years. Due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.

2. The complainant has not paid the monthly bill regularly for which the total outstanding has been accumulated to ₹ 22,527.04p upto Dec.-2024.
3. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Distribution Code-2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The energy bills raised to the consumer from May-2022 to Apr.-2024 (restricted to two year) is to be revised as per succeeding six months average consumption of new meter by considering IMR: 0 (16.07.2024) & FMR of Jan.-2025 under CI-155 & 157 of OERC Distribution Code 2019.
2. DPS is to be levied as per OERC Regulation.
3. All sundries and adjustments are to be considered during the above revision period.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within two months after receipt of GRF order otherwise it will be treated as non-compliance.
