- **COMPLAINANT**

-Versus-

Sub-Divisional Officer,
Electrical Sub-Division, No. II,
TPWODL, Bolangir

- **OPPOSITE PARTY**

ORDER
(Dt.12.08.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 1.5 KW. He has disputed the provisional & average bill raised from Oct.-2011 to Nov.-2022 due to meter defective. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 06.08.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Chatamakhna section of Balangir-II Sub-division. The consumer represented that he was served with provisional & average bills from Oct.-2011 to Nov.-2022 due to meter defective. For that, the arrear has been accumulated to ₹ 42,331.04p upto Jul.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply prior to Apr-1999. The billing dispute raised by the complainant for the provisional & average billing from Oct.-2011 to Nov.-2022 was due to meter defective for that period. A new meter with sl. no. TPWODL1011187 has been installed on 03rd Dec. 2021 but due to protocol delay, it has been reflected in Dec.-2022 with CMR : 815, thereafter actual billing is going on. As the above-stated period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

PRESIDENT

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1.5 KW. The consumer has availed power supply prior to Apr-1999 and the arrear outstanding upto Jul.-2024 is ₹ 42,331.04p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to meter defective, the consumer was served with average bills from Oct-2011 to Nov-2022 resulting accumulation of arrear outstanding. A new meter has been installed by OP with meter no. TPWODL1011187 on 03rd Dec. 2021 but due to delay in updation of meter protocol data, the KWH reading has been captured in Dec.-2022 with CMR : 815. Accordingly, delay meter updation revision has been done with credit of ₹ 3,637.71p for the period Nov.-2021 to Nov.-2022 and reflected in the bill of Nov.-2022 (served in Dec.-2022).

In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than eleven years. Due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.

During the course of hearing, the OP has agreed with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill was recalculated with the consumption and an amount of ₹ 33,960.21p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the arrear has been accumulated to ₹ 42,331.04p upto Jul.-2024.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP has agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 33,960.21p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
