ORDER
(Dt.31.08.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 2 KW. He was disputed about the average bills raised from Feb-Mar/2011 to Jan-Feb/2017 and bill of Jul-2022. He was submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 14.08.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under ESO-II section of Titilagarh Sub-division. The consumer represented that he was served with average bills from Feb-Mar/2011 to Jan-Feb/2017 and bill of Jul-2022. For that, the arrear has been accumulated to ₹ 1,04,289.40p upto Jul.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply since Dec-1999. The billing dispute raised by the complainant for the average billing from Feb-Mar/2011 to Jan-Feb/2017 was due to wrong punching of meter status from OK meter to defective meter by the concerned meter reader.

Also, the said meter (sl. no. : 1817540) is a 4 digit meter for which the billing dispute was arised. The matter was identified in Jan-Feb/2017 and the consumer was billed with CMR : 6450 but prior to that, the average billing period has not yet revised which needs bill revision. Also, the billing dispute raised by the complainant for the inflated billing done in the month of Jul.-2022 is a genuine dispute. This was happened due to suppressed meter reading done by concerned meter to prevent actual billing in the previous months. As the above-stated period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 2 KW. The consumer has availed power supply since Dec-1999 and the arrear outstanding upto Jul.-2024 is ₹ 1,04,289.40p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to round complete of the said meter (sl. no. : 1817540), the consumer was served with average bills from Feb-Mar/2011 to Jan-Feb/2017 which was rectified with "O" code reading correction in Jan-Feb/2017 with CMR : 6450. Hence, the disputed billing period needs bill revision as per actual consumption of the existing meter during that time (meter no. 1817540).

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 31,921.55p is to be withdrawn from the arrear outstanding.

2. The consumer represented that erroneous reading & inflated billing was done in the month of Jul.-2022 with 1951 units which needs bill revision as per actual meter reading. The OP admitted the complaint and submitted that due to supressed meter reading by the concerned meter reader in the above-stated period, the consumer was billed less units than his actual consumption. Hence, to resolve the consumer grievances, the meter reading should be recasted as per TPWODL guidelines.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 3,871.16p is to be withdrawn from the arrear outstanding.

3. The complainant has not paid the monthly bill regularly for which the arrear has accumulated to ₹ 1,04,289.40p upto Jul.-2024.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code'2019.

The OP was re-calculated the bill and the petitioner was convinced with the proposed withdrawal amount of ₹ 35,792.71p (₹ 31,921.55p + ₹ 3,871.16p). Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

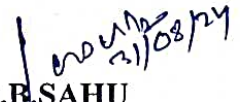

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
