OPPOSITE PARTY

ORDER

(Dt.22.10.2025)

During Camp Court hearing at Bileisarda on 08th Oct. 2025, the consumer Shri Baisnaba Biswal was present & Shri Jagannath Mahanty, ESO-Chatamakhna was present as opposite party.

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 0.05 KW. The complainant represented that he is getting abnormal & inflated bill from the date of new meter installation i.e. since Nov.-2023. For that inflated bill, the arrear has been accumulated to ₹ 33,425.56p upto Sep.-2025. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 08.10.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Chatamakhna section of Balangir-II Sub-division. The consumer represented that he has been served with abnormal & inflated bill from the date of new meter installation i.e. from Nov-2023 and he is under apprehension that the said meter is recording excess consumption than actual consumption. The complainant raised dispute against the said period and requested before the Forum for replacement of meter and suitable revision of bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-Dom consumer availing power supply since Aug-2013. The billing dispute raised by the complainant for the inflated billing with the new meter from the installation date is not a genuine dispute as all bills are raised on actual meter reading basis. Hence, the petition of the complainant should be rejected.

Considering the above, the OP requested before the Forum to pass order as deemed fit.

CO-OPTED MEMBER

MEMBER (Fin.)

PRESIDENT

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.05 KW. The consumer has availed power supply since 22nd Aug. 2013 and the arrear outstanding upto Sep-2025 is ₹ 33,425.56p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The energy meter of the consumer has been replaced with a new one on 09th Nov. 2023 with meter sl. no. TWSP51053817. The consumer has disputed the accuracy of the meter and represented that the said meter is showing excess consumption than actual consumption.
2. In response to that, the Forum directed the complainant to deposit the required meter testing fees with the licensee within seven days and directed the OP to test the meter by the MMG team at the earliest with submission of detailed report to the Forum. The complainant has deposited the required fees on the same day. The MMG team has tested the meter on 14th Oct. 2025 and submitted the report before the Forum on 17th Oct. 2025. The abstract of the PVR is,

“During testing of above meter result is within the limit i.e. 0.47%.”

The meter test conducted by MMG team and report generated on 14th Oct. 2025 has been taken into record.

3. Hence, it is concluded that the present meter i.e. meter no. TWSP51053817 is out of error.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The accuracy of meter (meter sl. no. : TWSP51053817) disputed by the complainant has been tested on 14th Oct. 2025 and found error is within permissible limit. Hence, the petition of the complainant regarding dispute on meter accuracy is hereby rejected and directed to clear the arrear outstanding.

Case is disposed off accordingly.
