Sub-Divisional Officer,
Electrical Sub-Division,
TPWODL, Saintala

OPPOSITE PARTY

ORDER
(Dt.30.10.2025)

During Camp Court hearing at Belgaon Section office on 23rd Oct. 2025, the representative of the consumer Shri Kirti Chandra Naik was present & Shri Ansuman Sahu, SDO-Saintala was present as opposite party.

HISTORY OF THE CASE

The Complaint petition filed by the representative of the consumer Shri Kirti Chandra Naik who is a LT-Dom. consumer availing a CD of 1 KW. He has disputed about the additional bill of ₹ 6,040.55p raised in the bill of May-2025 and requested for bill revision. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 23.10.2025

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Belgaon section of Saintala Sub-division. The complainant represented that an additional bill of ₹ 6,040.55p has been debited in the bill of May-2025 illegally which needs to be withdrawn and requested before the Forum for revision of bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Sep-2014. The billing dispute raised by the complainant for the additional bill of ₹ 6,040.55p has been raised in May-2025 bill in obedience to CI-155 of OERC Dist. (Conditions of Supply) Code 2019 which is liable to be paid by the consumer. The reason of additional bill raised due to average billing made from Nov-2021 to Jan-2024 due to meter defective. On 27th Feb. 2024, the defective meter has been replaced with a new meter having meter no. TWB318994. After meter replacement, the monthly bills has been generated on actual basis. The additional bill of ₹ 6,040.55p has been raised based on the

consumption pattern of succeeding six months and assessed for the meter defective period for the preceding two year.

Based on the above, the OP requested before the Forum to reject the complaint of complainant and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since 28th Sep. 2014 and total outstanding upto Sep.-2025 is ₹ 6,773.23p. As complained by the complainant and submission of OP, it is observed by the Forum that,

As represented by the consumer, an additional bill of ₹ 6,040.55p has been added in the bill of May-2025 which needs to be withdrawn. The OP submitted with relevant record that, the energy meter installed in the premises was gone defective w.e.f. Nov.-2021 and continued with same status upto Jan-2024. The OP has been replaced the defective meter with a new meter on 27th Feb. 2024 with meter no. TWB318994 and has been reflected in the bill. Thereafter, the monthly energy bill has been raised on actual meter reading basis. The dispute has raised for imposition of additional bill of ₹ 6,040.55p due to delay replacement of meter by the OP. Off-late, the OP has replaced the meter after two years of meter defective which violates CI-155 of OERC Distribution (Conditions of Supply) Code-2019 and also attracts under Schedule-III of Guaranteed Standard of Performance of OERC Distribution (Conditions of Supply) Code. Hence, it is advised the OP to be more pro-active for replacement of defective meter within standard time as prescribed by Hon'ble OERC. In the instant case, the OP has exercised CI-155 of OERC Dist. (Conditions of Supply) Code 2019.

During the course of hearing, the OP admitted with the billing complaints and intimated that they have initiated re-assessment of upward assessment observing departmental guidelines. Accordingly, the re-assessed amount has been recalculated with the consumption and an amount of ₹ 4,085.97p is to be debited and ₹ 6,040.55p which was debited in the bill of May-2025 is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP has initiated the re-assessment of upward assessed amount and the petitioner was convinced with the proposal. Accordingly, the re-assessed amount of ₹ 4,085.97p is to be debited and the upward assessment of ₹ 6,040.55p which was debited in the bill of May-2025 is to be withdrawn. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
