### **SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-Lift. Irr. consumer availing power supply since Aug.-2015. The billing dispute raised by the complainant for the false billing from the date of supply i.e. from 31<sup>st</sup> Aug. 2015 to till date is a genuine dispute. After receipt of notice from the learned Forum, the OP inspected the premises on 15<sup>th</sup> Nov. 2025 and found that power supply to the said point has not been charged till date.

Considering the above, the OP requested before the Forum for withdrawal of bill and pass order as deemed fit.

### **FINDINGS AND ANALYSIS OF THE FORUM**

The consumer is a LT-Irr. consumer with a CD of 2.5 KW. As per record, the consumer has availed power supply since 31<sup>st</sup> Aug. 2015 and total outstanding upto Sep.-2025 is ₹ 47,329.34p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer represented that due to collapse & defunct of the said deep borewell, he has not availed power supply from the beginning and the same status is continuing till date and represented that the said project is not running since the beginning. In supportive of this, he has submitted a letter of Asst. Executive Engineer, L.I. Sub-division, Balangir vide letter no. 206 dated 28<sup>th</sup> Oct. 2025 that the said deep bore well project is not running since the beginning due to collapse of the said point.
2. The OP has also inspected the premises on 15<sup>th</sup> Nov. 2025 and admitted the facts certified by Asst. Executive Engineer, L.I. Division, Balangir.
3. From the above report, it is clear that the said lift irrigation point has not been operated since the beginning i.e. 31<sup>st</sup> Aug. 2015 to till date and the bill raised during this period needs withdrawn.
4. During the hearing process, the representative of the consumer submitted that there is no power supply but false billing is going on.
5. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Distribution Code-2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The consumer number should be tagged under PDC category in the billing software as power supply to the consumer has not been given due to collapse of motor.
2. The energy bills raised to the consumer from 31<sup>st</sup> Aug. 2015 to till date is to be waived. Only MMFC is to be charged till the date of PDC as per CI-1 of the standard agreement executed by the petitioner with the opposite party. A final bill is to be prepared and served to the consumer for making payment.
