- COMPLAINANT

-Versus-

Sub-Divisional Officer,
Electrical Sub-Division,
TPWODL, Patnagarh

- OPPOSITE PARTY

ORDER
(Dt.17.09.2024)

HISTORY OF THE CASE

The Complainant is a LT-Irr. consumer availing a CD of 1.5 KW. He has disputed the provisional & average bill raised from the date of supply to Feb.-2024 due to meter being defective. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 05.09.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Belpada section of Patnagarh Sub-division. The consumer represented that he was served with provisional & average bills from the date of supply to Feb.-2024 due to meter defective. For that, the arrear has been accumulated to ₹ 34,823.12p upto Jul.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Irr. consumer availing power supply since Nov.-2013. The billing dispute raised by the complainant for the provisional & average billing from the date of supply to Feb-2024 was due to meter defective for that period. A new meter with sl. no. TWST1700093 has been installed on 01st Mar. 2024, thereafter actual billing is going on. As the above-stated period bill has not revised, it needs bill revision.

CO-OPTED MEMBER

MEMBER (Fin.)

PRESIDENT

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1.5 KW. The consumer has availed power supply since 30th Nov. 2013 and the arrear outstanding upto Jul.-2024 is ₹ 34,823.12p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer has availed power supply with defective meter from the date of supply i.e. 30th Nov. 2013 to Feb.-2024 which violates CI-97 (ii) of OERC Dist. Conditions of Supply) Code 2019 which is a gross negligence on the part of OP which should not be. The Forum has taken this as a **serious note** and warned the OP not to repeat such things in future.
2. A new meter with sl. no. TWST1700093 has been installed on 01st Mar. 2024, thereafter actual billing has been done. Due to billing with defective meter, the consumer was served with average bills from the date of supply to Feb.-2024 resulting accumulation of arrear outstanding.
3. The complainant has not paid the monthly bill regularly for which the arrear has been accumulated to ₹ 38,823.12p upto Jul.-2024.
4. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Distribution Code-2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code'2019.

1. **The energy bills raised to the consumer from Mar.-2022 to Feb.-2024 (restricted to two year) are to be revised as per succeeding six months average consumption of new meter by considering IMR : 0 (01.03.2024) & FMR of Aug.-2024 under CI-155 & 157 of OERC Distribution Code 2019.**
2. **DPS is to be levied as per OERC Regulation.**
3. **All sundries and adjustments are to be considered during the above revision period.**

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
