**OPPOSITE PARTY**

**ORDER**

**(Dt.30.12.2025)**

During camp court hearing at Binka Sub-division office on 12<sup>th</sup> Dec. 2025, the representative of the consumer Shri Jayanta Kumar Hota appeared before the Forum & Shri Uday Shankar Patjoshi, SDO-Binka was present as opposite party.

**HISTORY OF THE CASE**

The Complaint petition filed by the representative of the consumer Shri Jayanta Kumar Hota who is a LT-Dom. consumer availing a CD of 5 KW. He has disputed about the inflated and erroneous bills raised in Jan.-2025 with 5164 units. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 12.12.2025**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under Mahadevpalli section of Binka Sub-division. The complainant represented that he was served with erroneous & inflated bill in Jan.-2025 with 5164 units. For that, the total outstanding has been accumulated to ₹ 16,163.82p upto Nov-2025. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Irr. consumer availing power supply prior to Apr-1999. The billing dispute raised by the complainant for the inflated and erroneous billing in Jan.-2025 has been raised as per actual meter reading, hence the complaint of the complainant is not based on facts.

Considering the above, the OP requested before the Forum to reject the petition of the petitioner and pass order as deemed fit.

## **FINDINGS AND ANALYSIS OF THE FORUM**

The consumer is a LT-Irr. consumer with a CD of 5 KW. The consumer has availed power supply prior to Apr-1999 under LT-Irr. category and total outstanding upto Nov-2025 is ₹ 16,163.82p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer represented that erroneous reading & inflated billing has been done in the month of Jan.-2025 with 5164 units which needs bill revision as per actual meter reading.

The OP submitted that the meter reading of Jan-2025 has been done as per actual meter reading, hence no bill revision is required in this regard.

The Forum analysed the consumption pattern and observed that a meter change has been shown in the month of Jan-2025 with a new meter no. 10049922. The Forum directed the OP to submit the meter replacement report of Jan.-2025 within seven days. In response to that the OP submitted the meter replacement report on 30<sup>th</sup> Dec. 2025 where it has mentioned that meter replacement has been done on 06<sup>th</sup> Jan. 2025 where in the FG billing data it is shown as 01<sup>st</sup> Feb. 2025. Hence, the bills raised from Dec-2024 (served in Jan.-2025) to Jan.-2025 (served in feb.-2025) needs bill revision to redress the consumer grievances.

2. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 16,163.82p upto Nov.-2025.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The energy bill raised to the consumer from Dec.-2024 (served in Jan.-2025) to Feb.-2025 is to be revised by considering IMR-0 (06.01.2025) and FMR : 5821 (Feb-2025).
2. All sundries and adjustments are to be considered during the above revision period.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
