Sub-Divisional Officer, - **OPPOSITE PARTY**  
Electrical Sub-Division,  
TPWODL, Binka

**ORDER**  
**(Dt.27.09.2024)**

**HISTORY OF THE CASE**

The Complainant is a LT-Dom. consumer availing a CD of 2 KW. The complainant represented that he is being served with abnormal & inflated bill after installation of new meter in Jul.-2019. For that inflated bill, the arrear has been accumulated to ₹ 1,73,539.80p upto Aug.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 18.09.2024**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under Cherupali section of Binka Sub-division. The consumer represented that he is served with abnormal & inflated bill from the date of installation of new meter since Jul.-2019 and he is under apprehension that the said meter is recording excess consumption than actual consumption. The complainant raised dispute against the said period and requested before the Forum for replacement of meter and suitable revision of bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-Dom consumer availing power supply since Jul.-2008. The billing dispute raised by the complainant for the inflated billing from Jul.-2019 is not a genuine dispute as all bills are raised on actual meter reading basis. Hence, the petition of the complainant should be rejected.

Considering the above, the OP requested before the Forum to pass order as deemed fit.

MEMBER (Fin.)

PRESIDENT

## FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 2 KW. The consumer has availed power supply since 10<sup>th</sup> Jul. 2008 and the arrear outstanding upto Aug.-2024 is ₹ 1,73,539.80p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer was billed on AVERAGE basis from Apr-2013 to Jun-2019. The energy meter of the consumer has been replaced with a new smart meter on 31<sup>st</sup> May 2019 having meter sl. no. LW382483. The consumer was disputed the accuracy of the meter and represented that the said meter is showing excess consumption than actual consumption.
2. In response to that, the Forum directed the complainant to deposit the required meter testing fees with the licensee within seven days and directed the OP to test the meter by the MMG team at the earliest with submission of detailed report to the Forum. Accordingly, the complainant deposited the required testing fees of ₹ 500/- + GST @ 18% totalling ₹ 590/- on the same day vide receipt no. 44746118092412120005. The MMG team was tested the meter on 24<sup>th</sup> Sep. 2024 and submitted the report. The abstract of the PVR is,  
"During meter testing, meter accuracy found within limit. No. of pulse testing = 20, % of error : +0.57%. XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX."  
The meter test conducted by MMG team and report generated on 24<sup>th</sup> Sep. 2024 has been taken into record.
3. Hence, it is concluded that the present meter i.e. meter no. LW382483 is out of error.

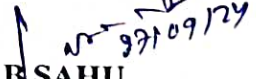

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

**The disputed meter sl. no. LW382483 was tested on 24<sup>th</sup> Sep. 2024 and found error is within permissible limit. Hence, the petition of the complainant regarding dispute on meter accuracy is hereby rejected and directed the consumer to clear the arrear outstanding.**

Case is disposed off accordingly.
