OPPOSITE PARTY

ORDER
(Dt.30.10.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 0.5 KW. He was disputed the average bill raised from the date of supply to Aug-2023. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 21.10.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Agalpur section of Loisingha Sub-division. The consumer represented that he was served with average bills due to no meter from the date of supply to Aug.-2023. For that average bills, the arrear has been accumulated to ₹ 8,720.45p upto Sep.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Oct.-2018. The billing dispute raised by the complainant for the average billing from the date of supply to Aug-2023 was due to no meter in his premises. As the above-stated average billing period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 0.5 KW. The consumer has availed power supply since 01st Oct. 2018 and the arrear outstanding upto Sep.-2024 is ₹ 8,720.45p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer has availed power supply without meter from the date of supply i.e. 01st Oct. 2018 which violates CI-97 (ii) of OERC Dist. Conditions of Supply) Code 2019 which is a gross negligence on the part of OP which should not be. The Forum has taken this as a **serious note** and warned the OP not to repeat such things in future.
2. A new meter with sl. no. TPWODL1160441 has been installed on 07th Sep. 2023, thereafter actual billing has been done. Due to billing with unmetered status, the consumer was served with average bills from the date of supply to Aug.-2023 resulting accumulation of arrear outstanding.
3. On scrutiny of the documents, it is observed by the Forum that the average bills raised during no meter period needs bill revision under CI-155 & 157 of OERC Dist. (Conditions of Supply) Code 2019 to redress the consumer grievances. However, during the course of hearing, the OP has agreed with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has recalculated with the consumption and an amount of ₹ 7,720.00p is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 7,720.00p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
