OPPOSITE PARTY

ORDER
(Dt.30.10.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 0.5 KW. He has disputed about the erroneous and average bills raised from the date of supply to Jan-2021 due to without meter in his premises. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 21.10.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Agalpur Section of Loisingha Sub-division. The consumer represented that he was served with Avg bills from date of supply till Feb-2023 due to WM supply on Soubhagya Scheme. For that average bills, the arrear has been accumulated to ₹ 7993.93p upto Sept-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Nov-18. The billing dispute raised by the complainant for the average billing from the date of supply was due to without meter in his premises. As the above-stated average billing period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since Nov-18 and the arrear outstanding ₹ 7993.93p upto Sept-2024. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer has availed power supply with no meter from the date of supply i.e. Oct. 2018 to JFeb-23, which violates CI-97 (ii) of OERC Dist. Conditions of Supply) Code 2019 which is a gross negligence on the part of OP which should not be. The Forum has taken this as a **serious note** and warned the OP not to repeat such things in future.
2. A new meter with Sssl. No. LW508205 has been installed on Dt.06.03.2023, thereafter actual billing has been done. Due to billing with no meter, the consumer was served with average bills from the date of supply resulting accumulation of arrear outstanding.
3. On scrutiny of the documents, it is observed by the Forum that the bills raised during without meter period needs bill revision under CI-155 & 157 of OERC Distribution Code-2019 to redress the consumer grievances.
4. OP has agreed to revise bill as per subsequent 6 months avg consumption post installation of new meter with IMR=979 in Mar-2023 and FMR=1121 in Aug -23 and an amount of Rs.6845.21 has been withdrawn observing TPWODL guidelines.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The opposite party was agreed with the billing dispute and revised the bill on the spot and the Complainant has convinced with the proposed withdrawal amount of Rs.6845.21ps. Hence, the Forum directed the opposite party to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
