ORDER

(Dt.10.03.2026)

During Camp Court hearing at Muribahal Section office on 20th Feb. 2026, the representative of the consumer Shri Giri Chandra Mallik was present & Shri Sanjay Tirkey, SDO-Kantabanji Sub-division was present as opposite party.

HISTORY OF THE CASE

The Complaint petition filed by the representative of the consumer Shri Giri Chandra Mallik who is a LT-Dom. consumer availing a CD of 1 KW. He has submitted that he is availing power supply for LT- Irrigation, Pumping & Agriculture purpose (Deep bore-well) from the beginning but the OP is raising energy bill under DOM tariff since the date of power supply which needs bill revision. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 20.02.2026

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Muribahal section of Kantabanji Sub-division. The consumer represented that he is availing power supply under LT- Irrigation, Pumping & Agriculture purpose (Deep bore-well) tariff category but bill has been generated on DOM category w.e.f. 03rd Dec. 2025 which needs bill revision under LT-Irr. tariff. For that change of tariff, the total outstanding has been accumulated to ₹ 8,470.38p upto Jan.-2026. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant documents. On defence, he intimated that initially the consumer has availed power supply under DOMESTIC tariff. Regarding, the dispute about tariff category, it needs field verification for which 7 day time may be allowed to make field inspection and submission of report.

MEMBER (Fin.)

PRESIDENT

Considering the above, the OP requested before the Forum to allow 7 days time to make field inspection & to submit the report.

The OP inspected the premises on 23rd Feb. 2026 and submit the report on 24th Feb. 2026 before the Forum with remarks that the category should change from domestic to irrigation.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. Initially, the consumer has availed power supply under "DOM" tariff since 03rd Dec. 2025 under "KHOJ" scheme. The arrear outstanding upto Jan.-2026 is ₹ 8,470.38p. As complained by the complainant and submission of OP, it is observed by the Forum that,

The consumer represented that he is availing power supply for LT-Irrigation category since the date of power supply but the OP is raising monthly bill under LT-Dom. category which needs bill revision & tariff change as per LT-Irrigation tariff.

The OP submitted with field verification report that the consumer is availing power supply for LT-Irrigation, Pumping & Agriculture purpose. The inspection report submitted by OP dated 23rd Feb. 2026 has taken into record.

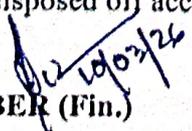

The Forum analysed the documents submitted by both parties. It is observed that initially the consumer has availed power supply for domestic purpose w.e.f. 03rd Dec. 2025 where the consumer represented that power supply is being used for LT-Irrigation purpose. Based on inspection report of OP dated 23rd Feb. 2026, the consumer is availing power supply for LT-Irrigation, Pumping & Agriculture purpose.

In the instant case, the complainant has claimed unilateral change of tariff category from Dom to LT-Irr. w.e.f. 03rd Dec. 2025 without any sort of formalities on behalf of consumer in accordance with amended Regulation of Hon'ble OERC, which is not maintainable in its face since the tariff notification promulgated was meant for information of all and applicability of a different tariff category involves proper application which is not possible without any move by the consumer which is lacking in this case. Initially power supply has been released under Domestic tariff. At the belated stage, now when claims benefit or altered tariff retrospectively the same is not feasible in absence of any application from the consumer. Rather, the consumer has approached this forum on 20th Feb. 2026 for the first time which is treated as initial application for tariff change. In support of that, the OP inspected the premises and certified that presently the consumer is using for LT-Irrigation, Pumping & Agriculture purpose only.

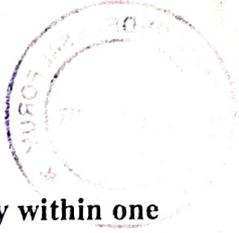

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP is directed to amend the billing category from DOM tariff to LT-Irrigation, Pumping & Agriculture tariff w.e.f. 20th Feb. 2026 as the first application of the complainant for tariff change has been received on 20th Feb. 2026. Also, the consumer is directed to clear the arrear outstanding before change of tariff category.

Case is disposed off accordingly.

MEMBER (Fin.)

PRESIDENT

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
