Sub-Divisional Officer,
Electrical Sub-Division,
TPWODL, Binka

OPPOSITE PARTY

ORDER
(Dt.30.11.2024)

HISTORY OF THE CASE

The Complaint petition filed by the representative of the consumer Shri Jagannath Juadi who is a LT-Dom. consumer availing a CD of 1 KW. He has disputed about the average bill raised from Mar-Apr/2005 to Aug-Sep/2019. He was filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 28.11.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Cherupali section of Binka Sub-division. The complainant represented that he was served with average bill from Mar-Apr/2005 to Aug-Sep/2019 due to meter defective. For that, the total outstanding has been accumulated to ₹ 1,35,455.08p upto Oct.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-Dom. consumer availing power supply prior to Apr-1999. The billing dispute raised by the complainant for the average billing from Mar-Apr/2005 to Aug-Sep/2019 was due to meter defective for that period. A new meter with sl. no. LW430571 was installed during Nov-2019, thereafter actual billing was done. As the above-stated period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

MEMBER (Fin.)

PRESIDENT

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply prior to Apr-1999 and total outstanding upto Oct.-2024 is ₹ 1,35,455.08p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The complainant represented that due to meter defective, he was served with average bills from Mar-Apr/2005 to Aug-Sep/2019 which needs bill revision.

The OP admitted the complaint and submitted that a new meter has been installed with meter no. LW430571 during Nov-2019 and thereafter actual billing has been done. The defective billing period needs bill revision as per consumption of new meter.

In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than fourteen years. Due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.

During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 83,639.55p is to be withdrawn from the arrear outstanding.

2. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 1,35,455.08p upto Oct.-2024.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 83,639.55p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly. .

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
