TPWODL, Bolangir

OPPOSITE PARTY

ORDER
(Dt.19.12.2024)

HISTORY OF THE CASE

The Complaint petition filed by the consumer Shri Biswamitra Kumura who is a LT-Dom. consumer availing a CD of 1 KW. He was disputed about the average bill raised from Jun-2018 to Apr-2020. He has filed his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED : 11.12.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under ESO-Chudapali section of Balangir-II Sub-division. The consumer represented that he was served with average bills due to no meter in his premises from Jun-2018 to Apr-2020. For that average bill, the arrear has been accumulated to ₹ 20,904.73p upto Nov.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with relevant records. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since Jun-2018. The billing dispute raised by the complainant for the average billing from Jun-2018 to Apr-2020 was due to no meter in his premises. A new meter with sl. no. LW491538 has been installed in May-2020, thereafter actual billing is going on. As the above-stated average billing period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 1 KW. The consumer has availed power supply since 24th Jun. 2018 and total outstanding upto Nov.-2024 is ₹ 20,904.73p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. The consumer has availed power supply without meter from Jun-2018 to Apr-2020 which violates Cl-97 (ii) of OERC Dist. Conditions of Supply) Code 2019 which is a gross negligence on the part of OP which should not be. The Forum has taken this as a **serious note** and warned the OP not to repeat such things in future.
2. The OP admitted the complaint and submitted that a new meter with sl. no. LW491538 has been installed in May-2020, thereafter actual billing has done. Due to billing with unmetered status, the consumer was served with average bills from Jun-2018 to Apr-2020 resulting accumulation of arrear outstanding.
3. During the course of hearing, the OP has admitted with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 18,702.20p is to be withdrawn from the arrear outstanding.
4. The complainant has not paid the monthly bill regularly for which the total has been accumulated to ₹ 20,904.73p upto Nov.-2024.

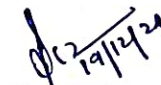

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP was agreed with the billing dispute and revised the bill on spot and the petitioner was convinced with the proposed withdrawal amount of ₹ 18,702.20p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
