-Versus-

Sub-Divisional Officer,
Electrical Sub-Division,
TPWODL, Loisingha

- **OPPOSITE PARTY**

ORDER
(Dt.26.02.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 2 KW. He has disputed about the erroneous and provisional bills from Mar-2019 to Oct-2019 due to meter defective. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED: 07.02.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Agalpur section of Loisingha Sub-division. The consumer represented that he was served with provisional bills due to meter defective from Mar-2019 to Oct-2019. For such average bills, the arrear has accumulated to ₹. 93,690.13p upto Jan-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with billing abstract only. On defence, he intimated that the consumer is a LT-Domestic consumer availing power supply since May-2013. The billing dispute raised by the complainant for the provisional billing from Mar-2019 to Oct-2019 was due to meter defective for that period. A new meter with sl. no. LW383888 has been installed on 29th Oct.2019, thereafter actual billing has been done. As the above-stated average billing period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

CO-OPTED MEMBER

MEMBER (Fin.)

PRESIDENT

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 2 KW. The consumer has availed power supply since 23rd May 2013 and the arrear outstanding upto Jan-2024 is ₹. 93,690.13p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to meter defective, the consumer was served with average bills from Mar-2019 to Oct-2019 with meter no. 102873 resulting accumulation of arrear outstanding.
2. A new meter has been installed by OP with meter no. LW383888 on 29th Oct. 2019 and thereafter actual billing has done. In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than seven months. Due to delay in installation of new meter, average billing has done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.
3. The complainant has not paid the monthly bill regularly for which the arrear has accumulated to ₹. 93,690.13p upto Jan-2024.
4. The OP has submitted that as the disputed billing period has not yet revised, it needs bill revision as per consumption of new meter.
5. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Dist. (Conditions of Supply) Code 2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The energy bills raised to the consumer from Mar-2019 to Oct-2019 are to be revised as per succeeding six months average consumption of new meter by considering IMR : 0 (29.10.2019) & FMR : 270 (Jun-2020) under CI-155 & 157 of OERC Dist. Code 2019.
2. DPS is to be levied as per OERC Regulation.
3. All sundries and adjustments are to be considered during the above revision period.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
