Sub-Divisional Officer,
Electrical Sub-Division,
TPWODL, B.M.Pur

- **OPPOSITE PARTY**

ORDER
(Dt.11.03.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 2 KW. He has disputed about the average bills raised from Sep-2022 to Sep-2023 due to meter defective. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED: 04.03.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under Subalaya section of B M Pur Sub-division. The consumer represented that he was served with average bills due to meter defective from Sep-2022 to Sep-2023. For such average bills, the arrear has accumulated to ₹. 21,481.81p upto Jan-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum with billing ledger pertaining to Mar-2001 to Jan-2024. On defence, he intimated that the consumer is a LT-Dom consumer availing power supply prior to Apr-1999. The billing dispute raised by the complainant for the average billing from Sep-2022 to Sep-2023 was due to meter defective during that period. A new meter with sl. no. TWSP51017194 has been installed on 24th Sep. 2023, thereafter actual billing has been done. As the above-stated average billing period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 2 KW. The consumer has availed power supply prior to Apr-1999 and the arrear outstanding upto Jan-2024 is ₹. 21,481.81p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to meter defective of the existing meter with meter no. 8162596, the consumer was served with average bills from Sep-2022 to Sep-2023 resulting accumulation of arrear outstanding.
2. A new meter has been installed by OP with meter no. TWSP51017194 on 24th Sep. 2023 and thereafter actual billing has been done. In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than one year. Due to delay in installation of new meter, average billing has done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.
3. The complainant has not paid the monthly bill regularly for which the arrear has accumulated to ₹. 21,481.81 upto Jan-2024.
4. The OP has submitted that as the disputed billing period has not yet revised, it needs bill revision as per consumption of new meter.
5. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Dist. (Conditions of Supply) Code 2019 to redress the consumer grievances.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

1. The energy bills raised to the consumer from Sep-2022 to Sep-2023 are to be revised as per succeeding six months average consumption of new meter by considering IMR: 0 (24.09.23) & FMR of Mar-2024 under CI-155 & 157 of OERC Dist. Code 2019.
2. DPS is to be levied as per OERC Regulation.
3. All sundries and adjustments are to be considered during the above revision period.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
