- **OPPOSITE PARTY**

ORDER

(Dt.29.03.2024)

HISTORY OF THE CASE

The Complainant is a LT-Dom. consumer availing a CD of 2KW. He has disputed about the average bills raised from Dec08/Jan09 to Aug-2019 due to meter defective. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

PROCEEDING OF HEARING DATED: 20.03.2024

SUBMISSION OF COMPLAINANT DURING HEARING

The complainant is a consumer under ESO-III section of Patnagarh Sub-division. The consumer represented that he was served with average bills due to meter defective from Dec08/Jan09 to Aug-2019. For that average bills, the arrear has accumulated to ₹. 78,790.25p upto Feb.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of bill.

SUBMISSION OF OPPOSITE PARTY DURING HEARING

The OP appeared before the Forum without relevant documents. On defence, he intimated that the consumer is a LT-Dom consumer availing power supply since Nov-2001. The billing dispute raised by the complainant for the average billing from Dec08/Jan09 to Aug-2019 was due to meter defective for that period. A new meter with sl. no. LW332004 has been installed on 21st Aug. 2019, thereafter actual billing was done. As the above-stated average billing period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-Dom. consumer with a CD of 2 KW. The consumer has availed power supply since 27th Nov. 2001 and the arrear outstanding upto Feb.-2024 is ₹. 78,790.25p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to meter defective with meter no. 163508, the consumer was served with average bills from Dec08/Jan09 to Aug-2019 resulting accumulation of arrear outstanding.
2. A new meter has been installed by OP with meter no. LW332004 on 21st Aug. 2019. Thereafter actual billing was done. In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than ten years. Due to delay in installation of new meter, average billing has done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to be taken care in future.
3. The complainant has not paid the monthly bill regularly for which the arrear has been accumulated to ₹. 78,790.25p upto Feb.-2024.
4. The OP has submitted that as the disputed billing period has not yet revised, it needs bill revision as per consumption of new meter.
5. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Dist. (Conditions of Supply) Code 2019 to redress the consumer grievances. However, during the course of hearing, the OP has agreed with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹. 73,388.90p is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP has re-calculated the bill and the petitioner was convinced with the proposed withdrawal amount of ₹. 73,388.90p. Hence, the Forum directed the OP to carry-out the revision proposal which must be reflected in the next bill.

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
