Complaint Case No. BGR/63/2024

Sri Pramod Kumar Rana, For Sri Lalit Behera, At/Po-Bijepur, Via-Titilagarh, Dist-Bolangir Con. No. 912001031788 **COMPLAINANT**

-Versus-

Executive Engineer, Titilagarh Electrical Division, TPWODL, Titilagarh **OPPOSITE PARTY**

ORDER (Dt.28.02.2024)

During hearing on dt.15.02.2024 the Complainant Sri Pramod Kumar Rana appeared before the Forum in person whereas Sri Kailash Chandra Swain, DM (F&C), TED, TPWODL, Titilagarh appeared as opposite party on behalf of EE, TED, TPWODL, Titilagarh.

The Complainant bearing consumer no. 912001031788 in his written petition dt.18.01.2024 i.e. during a GRF camp held at Belgaon under TED, Titilagarh disputed the wrong billing done against him. He therefore requested before the Forum to redress his grievance by way of a suitable bill revision.

The opposite party on the other hand submitted a billing abstract concerning to the period from April'2018 to January'2024 followed by a PVR dt.12.02.2024 and a written version which reveals that;

- a) The consumer comes under Irrigation tariff with a CD of 7.5 KW.
- b) He was being billed on provisional and average basis having no meter with the premises till September'2022 since long.
- c) A new meter has been installed bearing no. 10008370 on dt.19.09.2022. During the first month of its installation the CMR was recorded for 496 Kwh in the new meter but bill was raised for 14995 units for payment basing upon the billing average of the old meter as per MMG report in FG.
- d) The CMR as on dt.12.02.2024 is reported to 17423 Kwh as per PVR having meter status being ok.

He therefore requested the Forum to do the needful as deemed fit in this regard.

The Forum after going through all the documents produced by the opposite party before it, observed that;

CO-OPTED MEMBER

MEMBER (Fin.)

PRESIDENT

- a) Actually a wrong bill has been raised against the consumer with an absurd consumption of 14995 Kwh for the month of August'2022 considering average billing from April'2021 to August'2022 which needs a bill revision.
- b) As per PVR, the meter bearing no. 10008378 is reported to be with ok status with CMR 17463 Kwh on dt.12.02.2024.

Basing on above observations, Forum passes the following direction as per Regulation of OERC Distribution (Conditions of Supply) Code 2019.

Bills from February'2022 to January'2024 are to be as per average consumption of new meter by considering IMR '0' (IMR on dt.19.09.2022) and FMR '7975' (CMR of March'2023).

Case is disposed off accordingly.

Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.
