Electrical Sub-Division, No. II,  
TPWODL, Bolangir

- **OPPOSITE PARTY**

**ORDER**

**(Dt.24.07.2024)**

**HISTORY OF THE CASE**

The Complainant is a LT-GPS. consumer availing a CD of 1 KW. He has disputed the inflated bill raised in May-2024 with 783 units. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 19.07.2024**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under Chudapali section of Bolangir-II Sub-division. The complainant represented that he was served with inflated bill in May-2024 with 783 units. For that, the arrear has been accumulated to ₹ 6,080.26p upto Jun.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant documents. On defence, he intimated that the consumer is a LT-GPS consumer availing power supply since Jul.-2023. The billing dispute raised by the complainant for the inflated billing done in the month of May-2024 with 783 units is a genuine dispute. This has happened due to suppressed meter reading done by concerned meter to prevent actual billing in the previous months. As the above-stated period bill has not been revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

## FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-GPS. consumer with a CD of 1 KW. The consumer has availed power supply since 29<sup>th</sup> Jul. 2023 and the arrear outstanding upto Jun-2024 is ₹ 6,080.26p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to suppressed meter reading by the concerned meter reader in the preceding months, the consumer was billed less units than his actual consumption. This has been identified during May-2024 billing and the unbilled units has been billed in the same month. Due to such bill, the arrear amount has accumulated.
2. The complainant has not paid the monthly bill regularly for which the arrear has accumulated to ₹ 6,080.26p upto Jun.-2024.
3. During the course of hearing, the OP has agreed with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recasted with the consumption and a net amount of ₹ 1,113.44p is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

The OP has recasted the energy bill of May-2024 and the petitioner was convinced with the proposed withdrawal amount of ₹ 1,113.44p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

**Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.**
