**COMPLAINANT**

**-Versus-**

Sub-Divisional Officer,  
Electrical Sub-Division,  
TPWODL, Saintala

**OPPOSITE PARTY**

**ORDER**  
**(Dt.30.07.2024)**

**HISTORY OF THE CASE**

The Complainant is a LT-GPS consumer availing a CD of 2 KW. He has disputed about the provisional & average bills raised from Jan-Feb/2023 to Oct.-2023. He has submitted his grievances for revision of bill. The complainant needs suitable bill revision for the said period.

The case was heard in detail.

**PROCEEDING OF HEARING DATED : 24.07.2024**

**SUBMISSION OF COMPLAINANT DURING HEARING**

The complainant is a consumer under Belgaon Section of Saintala Sub-division. The consumer represented that he was served with average bills from Jan-Feb/2023 to Oct-2023 due to meter defective. For that, the arrear has accumulated to ₹ 5,936.70p upto Jun.-2024. The complainant raised dispute against the said period and requested before the Forum for suitable revision of the bill.

**SUBMISSION OF OPPOSITE PARTY DURING HEARING**

The OP appeared before the Forum with relevant record. On defence, he intimated that the consumer is a LT-GPS consumer availing power supply prior to Apr-1999. The billing dispute raised by the complainant for the average billing from Jan-Feb/2023 to Oct.-2023 was due to meter defective for that period. A new meter with sl. no. 300085095 has been installed on 21<sup>st</sup> Nov. 2023, thereafter actual billing has been done. As the above-stated period bill has not revised, it needs bill revision.

Considering the above, the OP requested before the Forum for revision of previous disputed bills and pass order as deemed fit.

## FINDINGS AND ANALYSIS OF THE FORUM

The consumer is a LT-GPS consumer with a CD of 2 KW. The consumer has availed power supply prior to Apr-1999 and the arrear outstanding upto Jun.-2024 is ₹ 5,936.70p. As complained by the complainant and submission of OP, it is observed by the Forum that,

1. Due to meter defective, the consumer was served with average bills from Jan-Feb/2023 to Oct-2023 with meter no. WESCO93512 resulting accumulation of arrear outstanding.
2. A new meter has been installed by OP with meter no. 300085095 during 21<sup>st</sup> Nov. 2023, thereafter actual billing has been done. In the instant case, it is surprised that the OP has allowed the consumer to continue with defective meter for more than ten months. In the above case, due to delay in installation of new meter, average billing was done which could have been avoided if the OP has installed the meter without delay for which it is advised to the OP to take some pro-active measure for early replacement of defective meter.
3. The OP has submitted that as the disputed billing period has not yet revised, it needs bill revision as per consumption of new meter.
4. On scrutiny of the documents, it is observed by the Forum that the bills raised during meter defective period needs bill revision under CI-155 & 157 of OERC Dist. (Conditions of Supply) Code 2019 to redress the consumer grievances. However, during the course of hearing, the OP has agreed with the billing complaints and initiated bill revision process on the spot observing departmental guidelines. Accordingly, the monthly bill has been recalculated with the consumption and an amount of ₹ 7,037.27p is to be withdrawn from the arrear outstanding.

In view of above facts and circumstances and after going through the documents submitted by both the parties, the Forum pronounces the following order as per regulations of the OERC Distribution (Conditions of Supply) Code 2019.

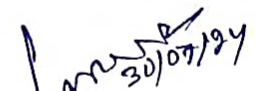

The OP has re-calculated the bill and the petitioner was convinced with the proposed withdrawal amount of ₹ 7,037.27p. Hence, the Forum directed the OP to carry-out the revision proposal and must be reflected in the next bill.

Case is disposed off accordingly.

**Compliance report must be submitted to the Forum by the opposite party within one month after receipt of GRF order otherwise it will be treated as non-compliance.**
