OPPOSITE PARTY

GIST OF THE COMPLAINT:

The Complainant Sri Sabita Majhi (represented by Durbadal Majhi) appeared before the Forum during the camp court held at Nunmath on dt. 10/11/2023 for provisional/average bill done for the irrigation point owned by him from 03/2020 to 01/2022 due to meter defect.

SUBMISSION OF COMPLAINANT DURING HEARING:

The complainant reiterated his complaint regarding provisional/average billing done against the irrigation consumer owned by him before installation of new meter on date 08/01/2022. He requested to revise the load factor bill as per the consumption pattern of the presently installed meter.

SUBMISSION OF OPPOSITE PARTY DURING HEARING:

The OP (EE, KEED) has submitted the following documents:

- a) A written Statement, stated that:
 - The consumer meter was billed as provisional/average basis from 03/2020 to 12/2021.
 - So, provisional bill period to be revised by taking six-month average consumption of new meter.
- b) PVR Dtd. 21/11/2023 was submitted mentioning meter number as TPU31508 and CMR as "6380".

OBSERVATIONS OF THE FORUM

From the database and statement as submitted by EE, KEED, the Forum observed that provisional/average bills, prior to installation of meter on date 08/01/2022, were served on load factor basis with 630 units per months which is in higher side in comparison to the present consumption pattern. The consumer was also aggrieved for provisional/average bills on load factor, which were served to him. So, load factor bills need to be revised.

ORDER
31.01.2024

Based on the above observations, the Forum passes the following order as per regulations 155 of OERC Distribution (Conditions of Supply) Code 2019.

The OP is directed as follows:

To revise the average/provisional bills from March-2020 to January-2022 on one-year average consumption of the present meter i.e. from January-2022 taking IMR as "0" to December-2022 taking FMR as "3033" being an irrigation point having seasonal consumption.

Case is disposed of accordingly.

Compliance report must be submitted to the Forum by the opposite party after compliance otherwise it will be treated as non-compliance.

Compliance Month- February-24.
