OBSERVATION

Earlier in Observation in Page no.32 :-

1. Considering the documents, hearings were conducted where it came to the knowledge of the Forum that the applications so submitted on **28.02.2020 & 30.06.2023** were kept pending by opposite party due to want of documents and non-clearance of arrear of previous owner which might not be the proper reply. However, it is seen that after receiving the request letter of the complainant on **28.02.2020 and 30.06.2023**, JM(F) Sri Sanjeev Kumar Mishra has intimated to Sri Jagdeep Singh Sanwan,HOD,NSC,TPWODL for decision on permanent power supply on 01.07.2023 through E-mail whose brief details are given below: -"As discussed over phone, the above consumer who was initially entered into agreement for temporary supply of power, has informed this office that it could not available permanent supply due to lack of Electrical Inspection. Now, after submitting the Electrical Inspection, the consumer has requested for entering an agreement for permanent power supply to the same premise. Please look into the matter and suggest necessary action to resolve the issue." but no replay was received in this regard from Sri Sangwan till date rather the opposite party start applying & levy the additional bill of 10% extra since June 2023 as per tariff order for temporary power supply.
