3. Then provisional/average bill served to consumer from May-2014 to Apr-2018.
4. The Meter No "WLT068258" was installed on Dt.20.05.2018 with IMR=0 (FG). There is average bill served to consumer from Nov-2022 (no. WLT068258) has already been revised by Opposite Party on Dt.12.01.2023 and amount of Rs.11057.22 withdrawn & reflected in consumer ledger.

1. On scrutinizing the case in detail, the Forum observed from the licensee's available soft records (FG & Samadhan App) that provisional/average bills charged continuously from May-2014 to April-2018, as no advanced meter readings were recorded in meter No." ORBO9236" for billing.
2. That, a new meter having SL. No." WLT068258" was installed on 20-May-2018, replacing the old meter No." ORBO9236". However, provisional/average bills continued to charge from May/June-2018 to Nov-2022 on different units from time to time.
3. Actual bills continued to charge from December-2022 till last billing as per advanced consumption recorded in installed meter No." WLT068258".
4. The Physical Verification Report dtd. 18.12.2025 indicated that existing meter has been found in running condition with advanced meter reading recorded as kwh"0003788".
5. It was observed from records that average bills charged prior to two years from the date installation of meter No." WLT068258" i.e. from May2016 to April-2018 and again, the average bills raised from June-2018 to November-2022 were already revised by the Opposite Party and Rs. 2748.92/- & Rs.11057.22/- were credited back(deducted from) to the consumer account respectively. However, the suggestion made by the Opposite Party regarding revision of bills from May-2014 to April-2016 cannot be entertained beyond statutory regulations as stipulated.

The Forum on scrutinizing the records, reports available on record construed that necessary bill revisions have already been made by the Opposite Party in connection with the grievance petition filed & the instant case is resolved accordingly.

Hence, the case is hereby dismissed.

Accordingly, the case is disposed of.
